School Shoes That Teach
Health Lessons to Growing Feet

TO hundreds of north shore mothers who have learned by experience, the right shoe—for school, for play, for dress—means a Pool & Piper Shoe.

They are right because they are built according to Pool & Piper specifications. They are right because they are fitted to the growing foot with expert care. They are right because they are fashioned from sturdy, selected leathers for long and comfortable service.

Foot freedom today to build foot health for tomorrow! A Pool & Piper Shoe is a correct shoe.
