

NEW TRIER STUDENT ROLL EXCEEDS 1700

Faculty of More Than 100 Required to Conduct Program in Current School Year

New Trier Township High school will open its doors next week to approximately 1,700 pupils, the largest enrollment in the history of the school. With registration practically completed this week the number of students reached a higher figure than had been expected.

A faculty and administrative staff of more than one hundred will be at New Trier this year. This Friday morning at 9 o'clock a meeting of deans, department heads, and adviser chairmen was to have been held. A general meeting of all teachers was scheduled for 9 o'clock this Saturday morning, September 8, with Supt. Frederick E. Clerk in charge. Plans for the year were to be discussed.

Following is the list of administrators and faculty members as announced in the new edition of the New Trier students' handbook just off the press:

Administration

Frederick E. Clerk, superintendent; Miss E. E. Packer, dean of girls and assistant superintendent; F. A. Kahler, dean of boys; W. L. Brown, director of reference and research; S. S. Vernon, assistant in reference and research; Miss L. E. Doing, registrar; Mrs. M. C. Warner, assistant to registrar; R. L. F. Biesemeier, supervising engineer; Mrs. M. B. Arnold, secretary of the Board of Education; Miss Gertrude Wagner, secretary to the superintendent; Miss R. M. Wilen, stenographer, and Mrs. E. J. Lindgren, assistant.

Music department—Mrs. Marian Cotton, head, Miss Armstrong, Miss Jones, Miss Mickey and Mr. Schumacher. Co-operating teachers: Mrs. Conover, Mme. Goedecke, Mrs. Cree, Mr. Kavanah, Mrs. Allen, Mr. Brauer, and Miss Coryell.

Physical education department—Boys: W. L. Childs, head, Mr. Jackson, and Mr. Showley. Girls: Miss M. P. Fogg, head, Miss Biesemeier, Miss Boulton, and Miss Merrill.

Chamber of Commerce Will Hold Meeting Next Monday

The next meeting of the Winnetka Chamber of Commerce will be Monday evening, September 10, at Community House, 8:15 P. M. This is the regular monthly meeting for all of the members. Final details concerning Dollar Day, which is to be held in Winnetka, Hubbard Woods and Indian Hill on Wednesday, September 12, will be discussed.

Rockford Hostess

Photo by Chambers

The 23 young women who will enter Rockford college for the first time this year from the North Shore and west suburbs of Chicago, the girls who are attending the college from that area and a hostess committee of Rockford alumnae, have been included in invitations to the luncheon at which Mrs. Catherine Waugh McCullough will entertain Saturday afternoon, Sept. 14, at 1, at her home, 2236 Orrington avenue, Evanston.

The luncheon is an annual happening which Mrs. McCullough, a prominent alumna of the college, arranges for the Rockford girls and graduates. Last season the company numbered seventy and as large a group is expected this year.

"Uncle John" of Radio Will Speak in Winnetka

For the opening day of the First Scandinavian Evangelical Sunday school tomorrow a special "treat" has been arranged for the boys and girls. The well-known "Uncle John," who conducts the children's hour from the Moody Bible Institute radio chapel, will be here in person to give a special children's talk at 9:30.

Mr. Meredith is especially desirous of meeting all the boys and girls who have been listening in at his radio services, and the children will, of course, be equally eager to see and get acquainted with "Uncle John."

Mr. Meredith will also preach at the morning worship period, which follows the Sunday school hour in the Elm street church.

"ART OF HEARING"—SERMON

"The Art of Hearing" will be the subject of the sermon to be given tomorrow morning at 11 o'clock by the Rev. E. Ashley Gerhard, rector, in Christ church. There will be a celebration of Holy Communion in the chapel Sunday morning at 7:30 o'clock; also week-day services in the chapel Tuesday and Thursday mornings at 9:30 o'clock.

IN WEDDING PARTY

Mr. and Mrs. Courtenay C. Davis of Kenilworth were among the attendants at the wedding of Miss Margaret May Patten and John Kirke Dunham which took place Tuesday evening in Chicago. Mrs. Davis was her sister's matron of honor and Mr. Davis was one of the ushers.

'STEALING A MARCH'

Abatement Organizations Put in Extra Licks While Landlord Boreas Gives Mosquito Tenants Notice

Indian summer days are approaching as valued allies to the North Shore Mosquito Abatement district and the Chicago Sanitary district in the warfare which the two organizations have been waging against the relentless mosquito hordes so strongly entrenched in the Skokie valley regions.

With the advent of mosquito-chasing weather, the Sanitary district, which is directing the work of dynamiting the much desired open drainage is losing no time in completing its portion of the abatement task.

The Mosquito Abatement district, under supervision of Superintendent William Edwards, is cleaning out the ditches, and applying the prescribed oil treatment.

This co-operative program, it is confidently expected, will have made such inroads upon the haunts of the pest before resumption of sting time next spring and summer, that Mr. and Mrs. Skeeter will find conditions most unfavorable for the customary summer convention in the Skokie and adjacent north shore areas.

A. H. Meier, who has been the inspector for the North Shore Mosquito Abatement district, has gone to Wooster, Ohio, as professor of biology, at Wooster university. He is a graduate of Northwestern university.

Owing to the lateness of the season, a successor to Mr. Meier will not be appointed by the Abatement district until next spring.

Graeme Players Return to Alcyon September 21

Friday, September 21, is the date announced by the management of the Alcyon theater of Highland Park for the return of the Graeme Players, who played there each Friday night for fourteen consecutive weeks last spring. The Players, with many new plays in their repertoire, will once again become a regular Friday night feature at the Alcyon.

The first play, to be presented on Friday, September 21, will be Taylor Holmes' famous three-act comedy drama, "Not So Fast." This will be presented in conjunction with a picture program. It is the plan of the Alcyon management to show the picture both before and after the play presentation. There will be no increase in the price of admission, it is announced.

Services at Winnetka Congregational church Sunday morning at 11 o'clock will be conducted by Rev. James Austin Richards.

Tickets Ready Sept. 20 for Music Club Series

Tickets for the 1928-1929 Artist-Recital series sponsored by the Winnetka Music club will be available for delivery to subscribers Thursday, September 20, according to Mrs. Bessie Grant, secretary of the club. Subscribers have been asked to call for their tickets any time after that date at the Winnetka State bank.

Artists to be heard in the current season's series and the dates of their appearance, follow:

Monday, October 29—Claudia Muzio, dramatic soprano.

Wednesday, December 26—Vladimir Horowitz, Russian pianist.

Monday, January 7—Albert Spalding, American violinist.

Thursday, February 7—Andreas Segovia, Spanish guitarist.

Monday, March 4—John Charles Thomas, American baritone.

PROPOSE STORM SEWER FOR INDIAN HILL AREA

Village Board Requests Cost Estimates on Improvement South of Willow Street

The Winnetka board of local improvements has authorized preparation of an estimate of cost for installation of a storm water sewer system for that section of the village lying south of Willow road and between the railroad tracks and Birch street.

This action was taken Tuesday evening on the recommendation of Trustee William B. Moulton, chairman of the judiciary committee.

Numerous complaints, it is said, are received relative to the backing up of sewage into basements in the area in question, caused by the fact that storm water from street catch basins, house down spouts and yard drains is now emptied into the sanitary sewers in violation of Village ordinances and Winnetka's contract with the Sanitary district of Chicago.

A large part of Winnetka is already equipped with both sanitary and storm water sewers, but the section in question has never been provided with the storm water sewers, the need for which is becoming more and more imperative as a result of the rapid home development in that vicinity.

1800 Children to Enter Our Schools at Opening Monday

Approximately 1,800 children will enter the public schools of the village Monday morning, September 10, when school sessions are resumed. The teaching staff will number ninety. Principals at all schools will be the same as last year, although there have been a few changes among the grade and departmental teachers. The complete list of teachers was published in a recent issue of WINNETKA TALK.

Supt. Carleton Washburne has returned to Winnetka after spending most of the summer giving courses at the University of Minnesota and the Colorado State Teachers' college. He has been holding meetings with the teachers this week. All-day sessions were held Thursday and Friday, and a half-day session was to be held today.

The annual faculty swim and beach party was held Thursday afternoon at 5:30 at the Maple street beach. Both new and old teachers attended.

Health Conditions Good; Whooping Cough Bothers

There were eighteen cases of whooping cough in the village during the month of August, according to the monthly report of Health Officer Dr. H. A. Orvis submitted to the Winnetka Village council Tuesday evening. There were also seven cases of mumps; four of chickenpox; two of scarlet fever, and one of German measles, a total of thirty-two. Dr. Orvis reported that at the present time there were in quarantine only the two cases of scarlet fever and eleven cases of whooping cough.

Christ Church School to Resume Sessions Sept. 16

Christ Church school will reopen Sunday, September 16, with the regular sessions in the Parish House. The schedule of meetings is:

Junior school in chapel at 9:30; Kindergarten and Primary (grades 1 to 4) at 11; Choir school at church at 10.

Several new teachers have been added to the faculty, and several changes have been made in the curriculum to meet the needs of religious education in Winnetka.
