6,300 School Children in Township This Term

When the public schools open next Monday morning in the four north shore villages—Wilmette, Kenilworth, Winnetka, and Glencoe—more than six thousand pupils and upwards of three hundred teachers will start the year's activities. The number of students is divided as follows: Wilmette Public schools, 1,550; Kenilworth Public schools, 450; Winnetka Public schools, 1,800; Glencoe Public schools, 800, and New Trier High school, 1,700. This makes a total of 6,300. There will be 65 teachers at Wilmette, 20 at Kenilworth, 90 at Winnetka, 40 at Glencoe, and 10 at New Trier, making a total of 315.

Many of the Kenilworth boys who attended Wilford C. "Duke" Child's camp in Port Arthur, Canada for the summer, have returned home. Among them were Bob and Dick Joslin, Linus and Tom Smith, Junior Benson, Tom and Jack Sinding, Jack O'Connor, George Woodland, and Bob Richardson.

At Work for Ball

Mrs. Lawrence Norem, (Carolyn Case of Hubbard Woods) is in charge of publicity for one of the large social events of the autumn season, the Smith ball, which is given annually to provide a scholarship for a girl in this vicinity wishing to enter Smith college. The day for the affair has been set for October 10.

Alter Law to Clarify Dog License Ruling

The amendment to the Village dog license ordinance, introduced at a former meeting of that body by Trustee William B. Moulton, was passed at the meeting of the Village council Tuesday evening.

The intent of the former ordinance was that anyone owning a dog shall procure a license, but its phrasing that whosoever shall own a dog on such and such a date shall be required to buy a license, brought about an occasional contention by persons who purchased a dog after the date specified in the ordinance that they were not required to obtain a license for that year.

The amendment makes it clear that anyone owning a dog shall pay an annual license, regardless of the time in the year in which he becomes the owner of the dog.

Winnetka Nine to Play in Wilmette Tomorrow

The baseball game between Winnetka and Wilmette, which was to have been played Sunday, September 2, was postponed on account of inclement weather. The game will be played tomorrow, however, on the Wilmette Village Green field, at Ridge and Lake avenues, at 3 o'clock.

With the return of "Lefty" Mills, star twirler, the Winnetka team has great expectations of evening up the count with Wilmette in the current championship classic.

On account of wet grounds the game between Glencoe and Winnetka was also postponed until a later date.

AGAIN IN KENILWORTH

Mrs. Joseph Joyce and her daughter, Ruth, have returned to their home at 531 Essex road, Kenilworth, from a pleasant eastern trip. After a few days at Niagara Falls they took the St. Lawrence and Saguenay river trips, enjoying the Thousand Islands, Montreal, and Quebec. Later they spent some time in New York, and New Rochelle with relatives and in Philadelphia with Mr. and Mrs. A. J. Maloney, formerly of Kenilworth. Mrs. A. J. Brock and her daughter, Margorie, accompanied them.
