## "Yoo-hoo-o- Borden's We're Back From Vacation"

"We want 'Selected' Milk every day again"

"The children embarrassed me several times, on our trip, by commenting on the milk and wishing (right out loud) that they could get 'Selected'."

The Sweet Natural Taste of "Selected" makes milk drinking a real pleasure. It's very important to have children enjoy drinking milk. Because they should drink at least four glasses a day.

You grown-ups will hold your vacation-built energy longer if you drink several glasses of milk a day. Try "Selected" for a month and see how fit you keep.

That "Selected" is the "Better Drinking Milk" is due to the extreme care that is taken in its production at the dairy farms and in its handling.

You'll always be glad you changed to "Selected"—and it's easy to change: (1) Mark your Borden's Milk Card. (2) Phone Franklin 3110 or nearest Borden Branch. (3) Speak to any Borden Milkman.

Remember the Borden milkman carries cream, butter, eggs, cottage cheese, soured cream—18 good foods in all.

### Christian Science Churches

"Man" was the subject of the lesson-sermon in all Churches of Christ, Scientist, Sunday, September 2.

The Golden Text was from Job 32:8, "There is a spirit in man: and the inspiration of the Almighty giveth them understanding."

Among the citations which comprised the lesson-sermon was the following from the Bible: "Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you? Therefore let no man glory in men. For all things are your's; And ye are Christ's; and Christ is God's" (I Cor. 3:16, 21, 23).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Man is never God, but spiritual man, made in God's likeness, reflects God. In this scientific reflection the Ego and the Father are inseparable" (p. 70).

Mrs. F. W. Burlingham and her daughters, Susan and Barbara, returned to their home at 630 Maple avenue yesterday after spending several months at Deephaven Camp, on Squaw Lake near Ashland, N. H.

### Beautiful Home Sites Purchased in Estates Area

The following transactions have recently been negotiated by Bills Realty, Inc., in Indian Hill Estates.

Mrs. Francis E. Ward has purchased Indian Hill Tudor at the corner of Locust and Seneca roads in Indian Hill Estates. This is a large 9-room English house which was recently furnished by the Catherine Reckitt's House and Garden Shop, Inc., and which more than 11,000 people have visited during the past five weeks. It is a stone and brick construction—a home of splendid proportions and has been the subject of favorable architectural and building comment throughout the north shore.

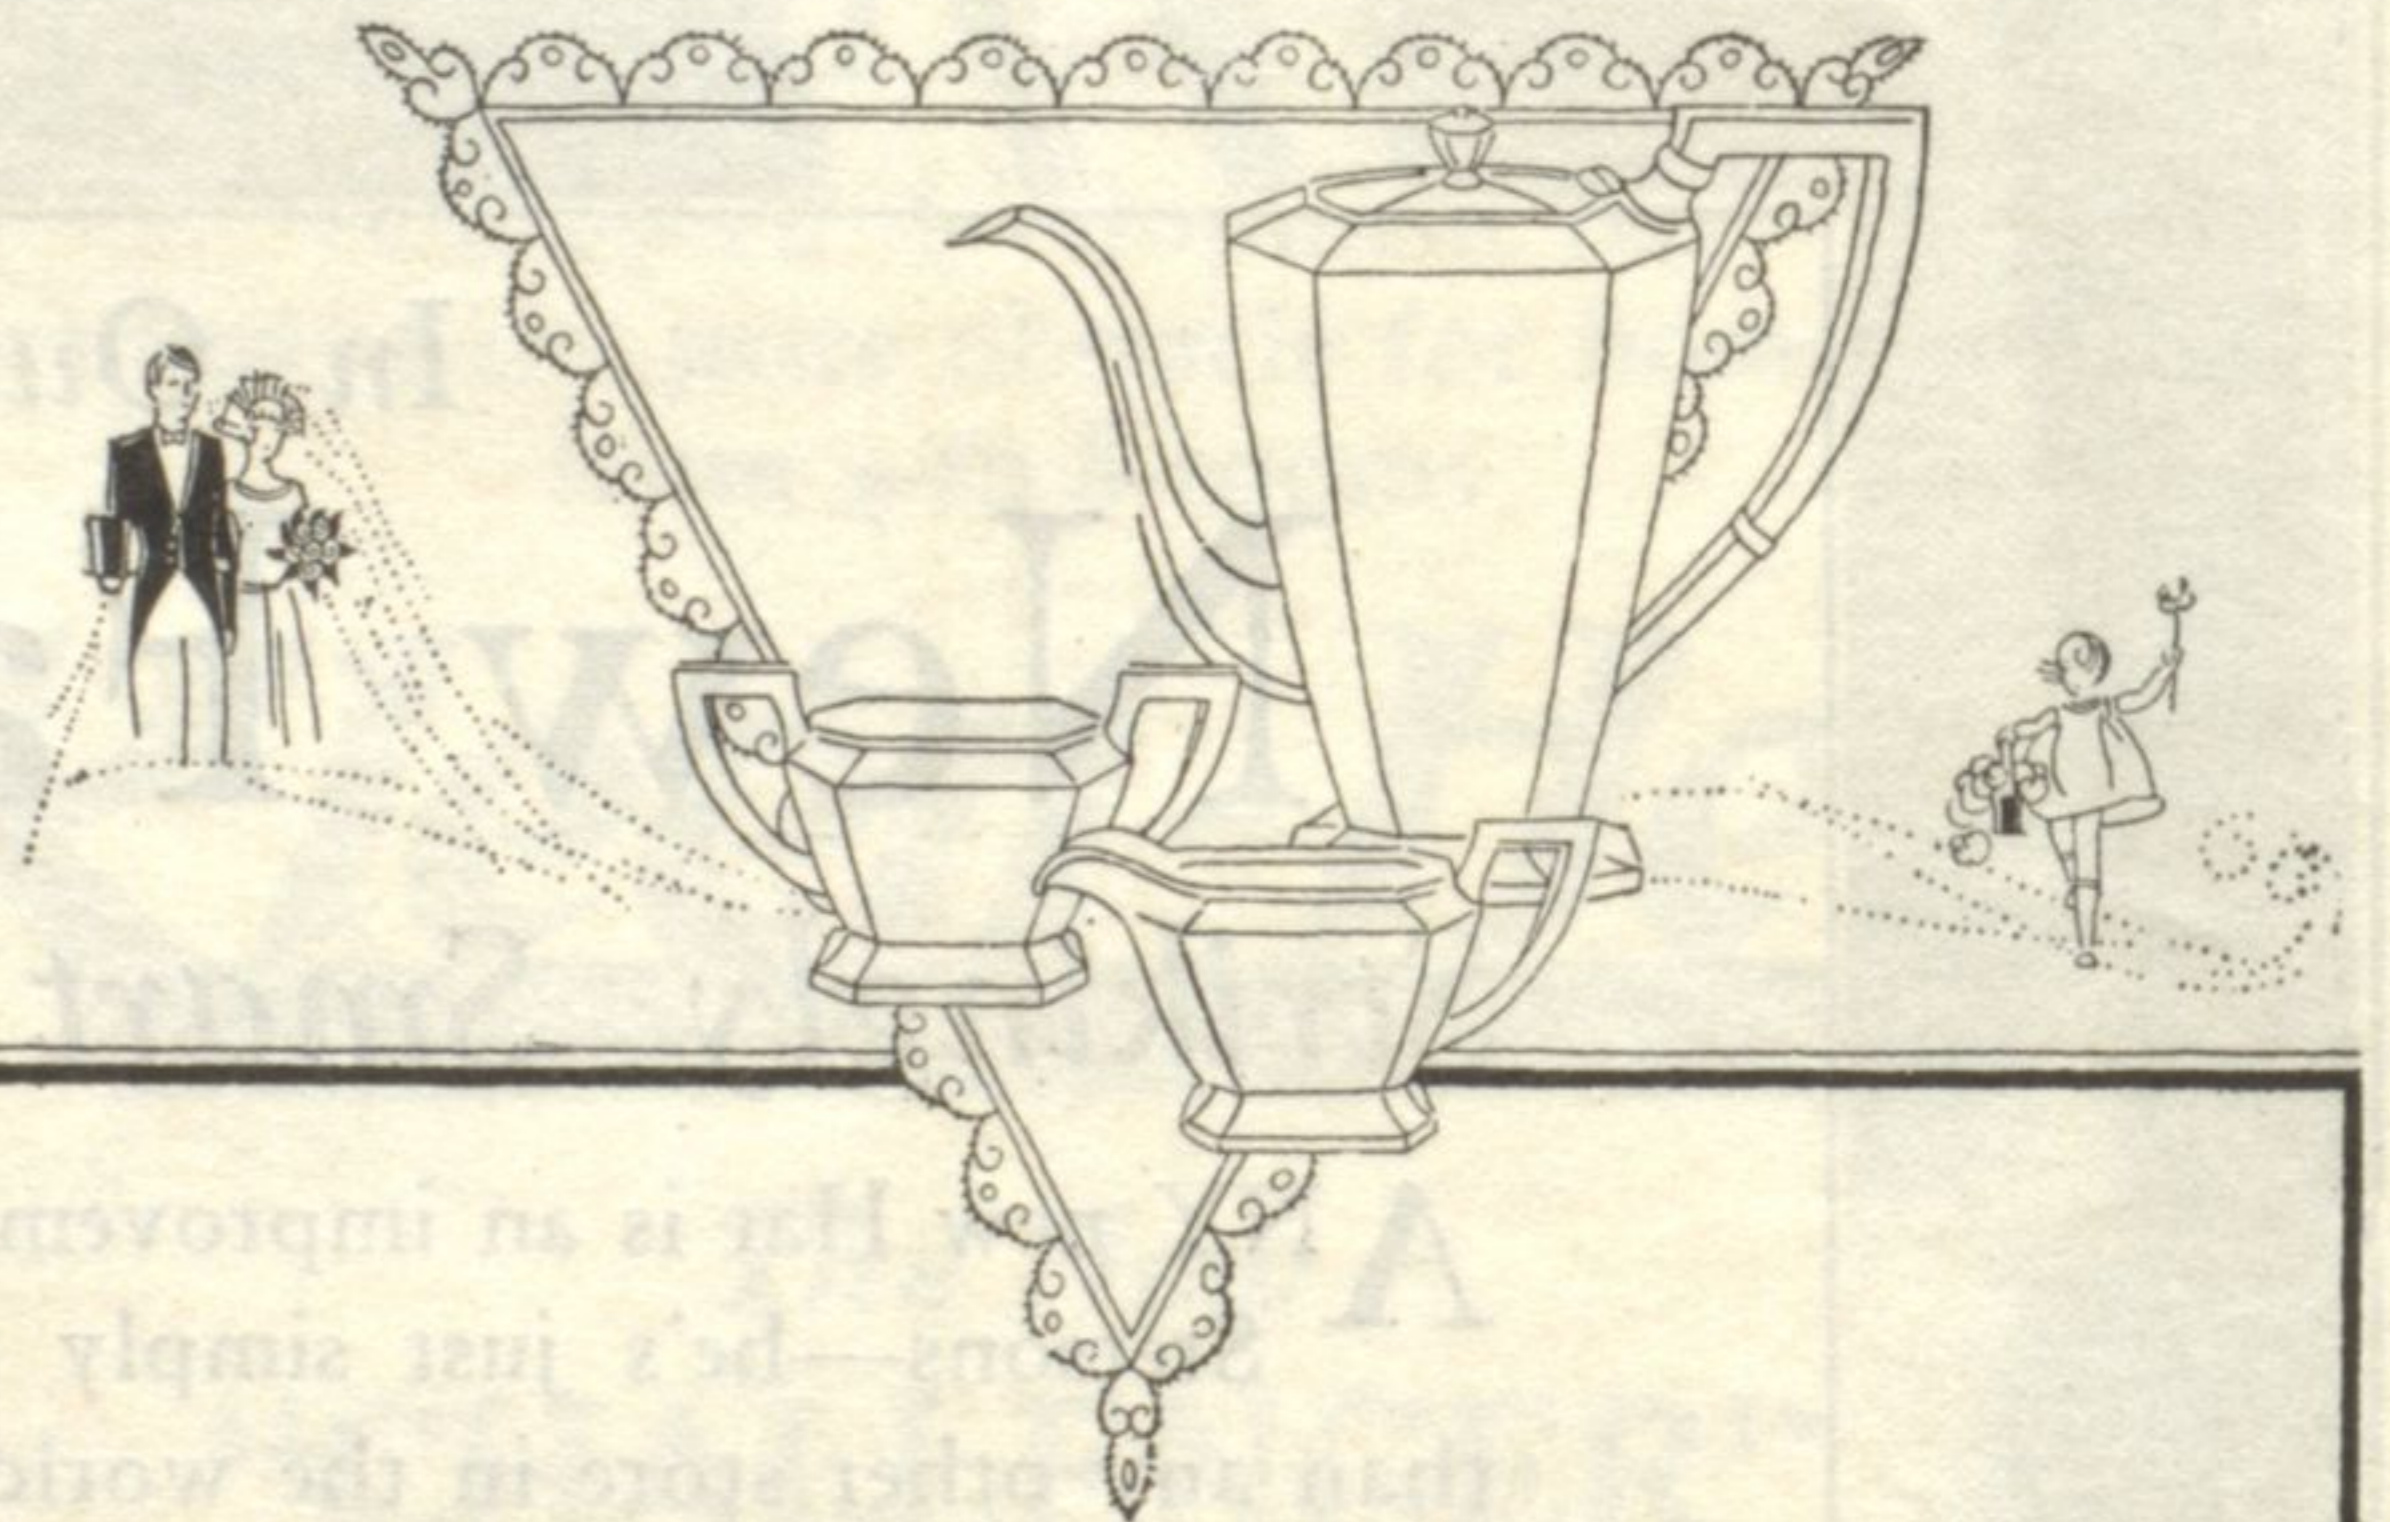

George H. Young, vice-president of Hoagland, Allum and company, has purchased two lawns in Indian Hill Estates which give him 355 feet on which he plans to construct two 8-room. English homes, the total cost of each to be in excess of \$45,000. Mr. Young plans to occupy one of the homes and an associate will occupy the other.

W. D. Norris, associated with John R. Kehm, has purchased a 100-foot lawn fronting west on Seneca road, and plans the erection of an English type 7-room house within the next year.

Marcus Mick, head of the Skokie Coal and Material company, has purchased the 80-foot lawn on Seminole road in Indian Hill Estates, this being in the heavily wooded section in which the adjoining homes of F. W. Bills, W. O. Gaines and John Q. Magie are rapidly being completed.
