

Smith Club Ball Large Society Event of Early Autumn

October 10 Is Set as Day for Annual Smith Club Benefit

BY EVELYN DUNCAN

The Evanston Smith club, many of whose members are alumnae from Wilmette, Winnetka, and Glencoe, has announced October 10, as the date of the annual Smith ball, an affair which is of great interest to the north shore each year. It will be held at the Evanston Country club and the funds thus secured will, as they have each year, provide a scholarship for the following year for Smith college for some local young woman.

The entire committees, as yet, have not been announced but the various committee chairmen are diligently working to insure pleasurable entertainment for their guests that evening and ample financial success to cover their aim. Miss Mary Lois McMullen of Evanston has been given the general chairmanship of the ball and is also to be in charge of the group which will sell tickets. Mrs. Lawrence Norem of Hubbard Woods, Mrs. Norem was formerly Miss Carolyn Case, is to take care of the publicity; Mrs. Manley S. Mumford, printing; Mrs. Ralph H. Maxson, music; Miss Virginia Helm will be chairman of the house committee, and Mrs. Edward Price Bell will head the floor committee.

Mrs. Maxson has already completed most of the work allotted to her committee and has given out the interesting announcement that Cope Harvey's orchestra will provide the music and that Mr. Harvey himself will add zest to this most important part of any successful ball.

There will also be bridge during the evening for those who enjoy this form of entertainment more than dancing.
