#### PLAN GROUP ACTIVITIES

Miss Elsie Wygant and Miss Frances Pressler who have charge of the group and creative activities in the Winnetka Public schools have been holding conferences with teachers at the various schools of the village this week. Plans for the year have been discussed.

Mr. and Mrs. A. G. Henning and children, 458 Linden street, spent three weeks recently at Ottawa Beach, Mich.

### Boal Family Returns for Winnetka Reunion

Mr. and Mrs. Ayers Boal of 701 Sheridan road have returned to their home from Charlevoix, Mich., where they spent the summer at the Boal Camp. Stewart and Tom Boal returned with them and will be home until September 21 when they will return to Harvard college. Tom spent the summer at the Grenfell Mission in New Foundland and returned to spend only one week with his family in Charlevoix. Stewart has been camping in Alberta, Canada for four weeks and Ayres, Jr., has sailed already for a year in Labrador at the Grenfell Mission.

Mrs. Nash Cazal and her two children are sailing from Ireland September 18, where they have been for the past three months, and upon their return they will make their home in Deerfield.

## Plan Now for HEATING your GARAGE NEXT WINTER

**GARAGE Quaker HEATER**  
An All Purpose Oil Stove

SAFE — ECONOMICAL — SIMPLE

Burns Low Price Oil  
Entirely New Method of Combustion  
Extremely Low in Price  
Puts Oil Heating Within Reach of All  
Economical as a Coal Stove, Simpler in Operation  
Noiseless

Has no wicks, no moving parts, nothing to replace or get out of order.

Has all the advantages of an expensive oil burner. Set it at the temperature desired and forget it. It maintains steady, even heat.

#### ELIMINATES

Dust, Dirt, Ashes and Labor

Burns Gas If Desirable

The Quaker Oil Stove will burn gas as efficiently as it does oil.

Low  
Cost  
Aids

Why put up corroded stove pipe? It's dangerous and will need early replacement anyway. Start right with new, straight sections.

Excelsior Stove Pipe Enamel smooths up the rough places and prevents rusting on the outside. Dries hard and adherent.

Dress  
up  
Your  
Fireplace

One of these attractive fire-place sets will add interest and beauty. Black finish, 3 pieces and stand. Also more elaborate brass finished sets.

Regular pattern heavy gauge metal, black enamel hods for everyday use. Coal Boxes for fireside use, brass and enamel finishes. Also Wood Baskets.

Handy Heat  
whenever and  
wherever needed

You'll find it pleasant to have one of these new Excelsior Oil Heaters to banish chill. Useful in mid-winter too.
