

Children's School Shows Enrollment Boost at N. K. E. C.

The advance enrollment for the Children's school of the National Kindergarten and Elementary college for the fall semester which opens Wednesday, September 19, shows a decided increase over that of last year. One hundred and eighty-two children from Evanston, Wilmette, Winnetka, Glenco, and Chicago have been enrolled, and it is expected that the number will reach 190 before registration closes. It is interesting to note that the enrollment is evenly divided between boys and girls.

Miss Clara Belle Baker, who has been abroad during the summer, has returned to Evanston and is resuming her studies as director of the Children's school.

Miss Louise Farwell, who received the degree of Ph.D. from Yale university last spring, has been appointed director of research in the Children's school. Miss Farwell is unusually well prepared for this work, having made a special study of problems in child development in Dr. Arnold Gessel's clinic in Yale as a fellow under the Commonwealth foundation. Miss Farwell's home is in Winnetka, and she is well known on the north shore where she has spoken before numerous groups on various phases of child psychology.

Other members of the College faculty who will co-operate with the Children's school are Miss Anna Markt, associate in research; Miss Martha Fink, director of parental education; Dr. Mary Pope, physician; Miss Stella Walty, attending nurse; Miss Harriet Howard and Miss Agnes Adams, supervisors.

The teaching staff for the year is as follows: elementary department, Miss Edith Ford, Miss Violet Rush, Miss Dorothy Weller, Miss Nellie Ball; kindergarten department, Miss Willmina Townes and Miss Miriam Brubaker; nursery school, Miss Edith Maddox and Miss Anne Jennings; Physical education, Miss Etta Mount, Miss Marian Case, Mr. Bryan Hines; Art, Miss Nellie MacLennan; Music, Miss Geraldine Roth; French, Madam Baguet.

Seven graduates of the two-year course at the college, awarded scholarships for graduate work in honor of superior work in student teaching, will assist in the children's school this year: Jean Weiss, Maxine Bowen, Ellen Esslinger, Irene Pugsley, Frances Lawton, Marjorie Preston and Marcella Pemberton.

Returns to North Shore From Band Concert Tour

A. F. Thaviu, 518 Isabella street, Wilmette, and thirty members of his brass band returned Saturday from Toronto, Canada, where they played at the Canadian National Exposition, and left on two special cars of a Chicago and North Western train for Huron, South Dakota, where they will be on the program of the state fair. A. F. Thaviu, Jr., is conducting the other section of his father's 65-piece band on a tour of various Canadian cities.

Mrs. James Prentiss, 201 Cumberland road, Kenilworth left last Monday for New York where she will meet her son Bob, who is returning on Friday from a trip through Europe with Bert Moritz, also of Kenilworth. They will return home about Sunday.

Mrs. Frederick D. Breit, 422 Essex road, Kenilworth opened her home on Monday afternoon for a card party for the benefit of the building fund of St. Patrick's Academy chapel now being built at Des Plaines.
