

# Now is the Time to Plant Evergreens

In all the vast store of plants for ornamental planting none can equal the satisfying richness of Evergreens. They are the aristocrats of the plant world.

Ravinia Nurseries offer only those varieties of Evergreens that have withstood the rigorous tests imposed by climatic variations in the Great Lakes District. Nowhere else can be found more perfect specimens.

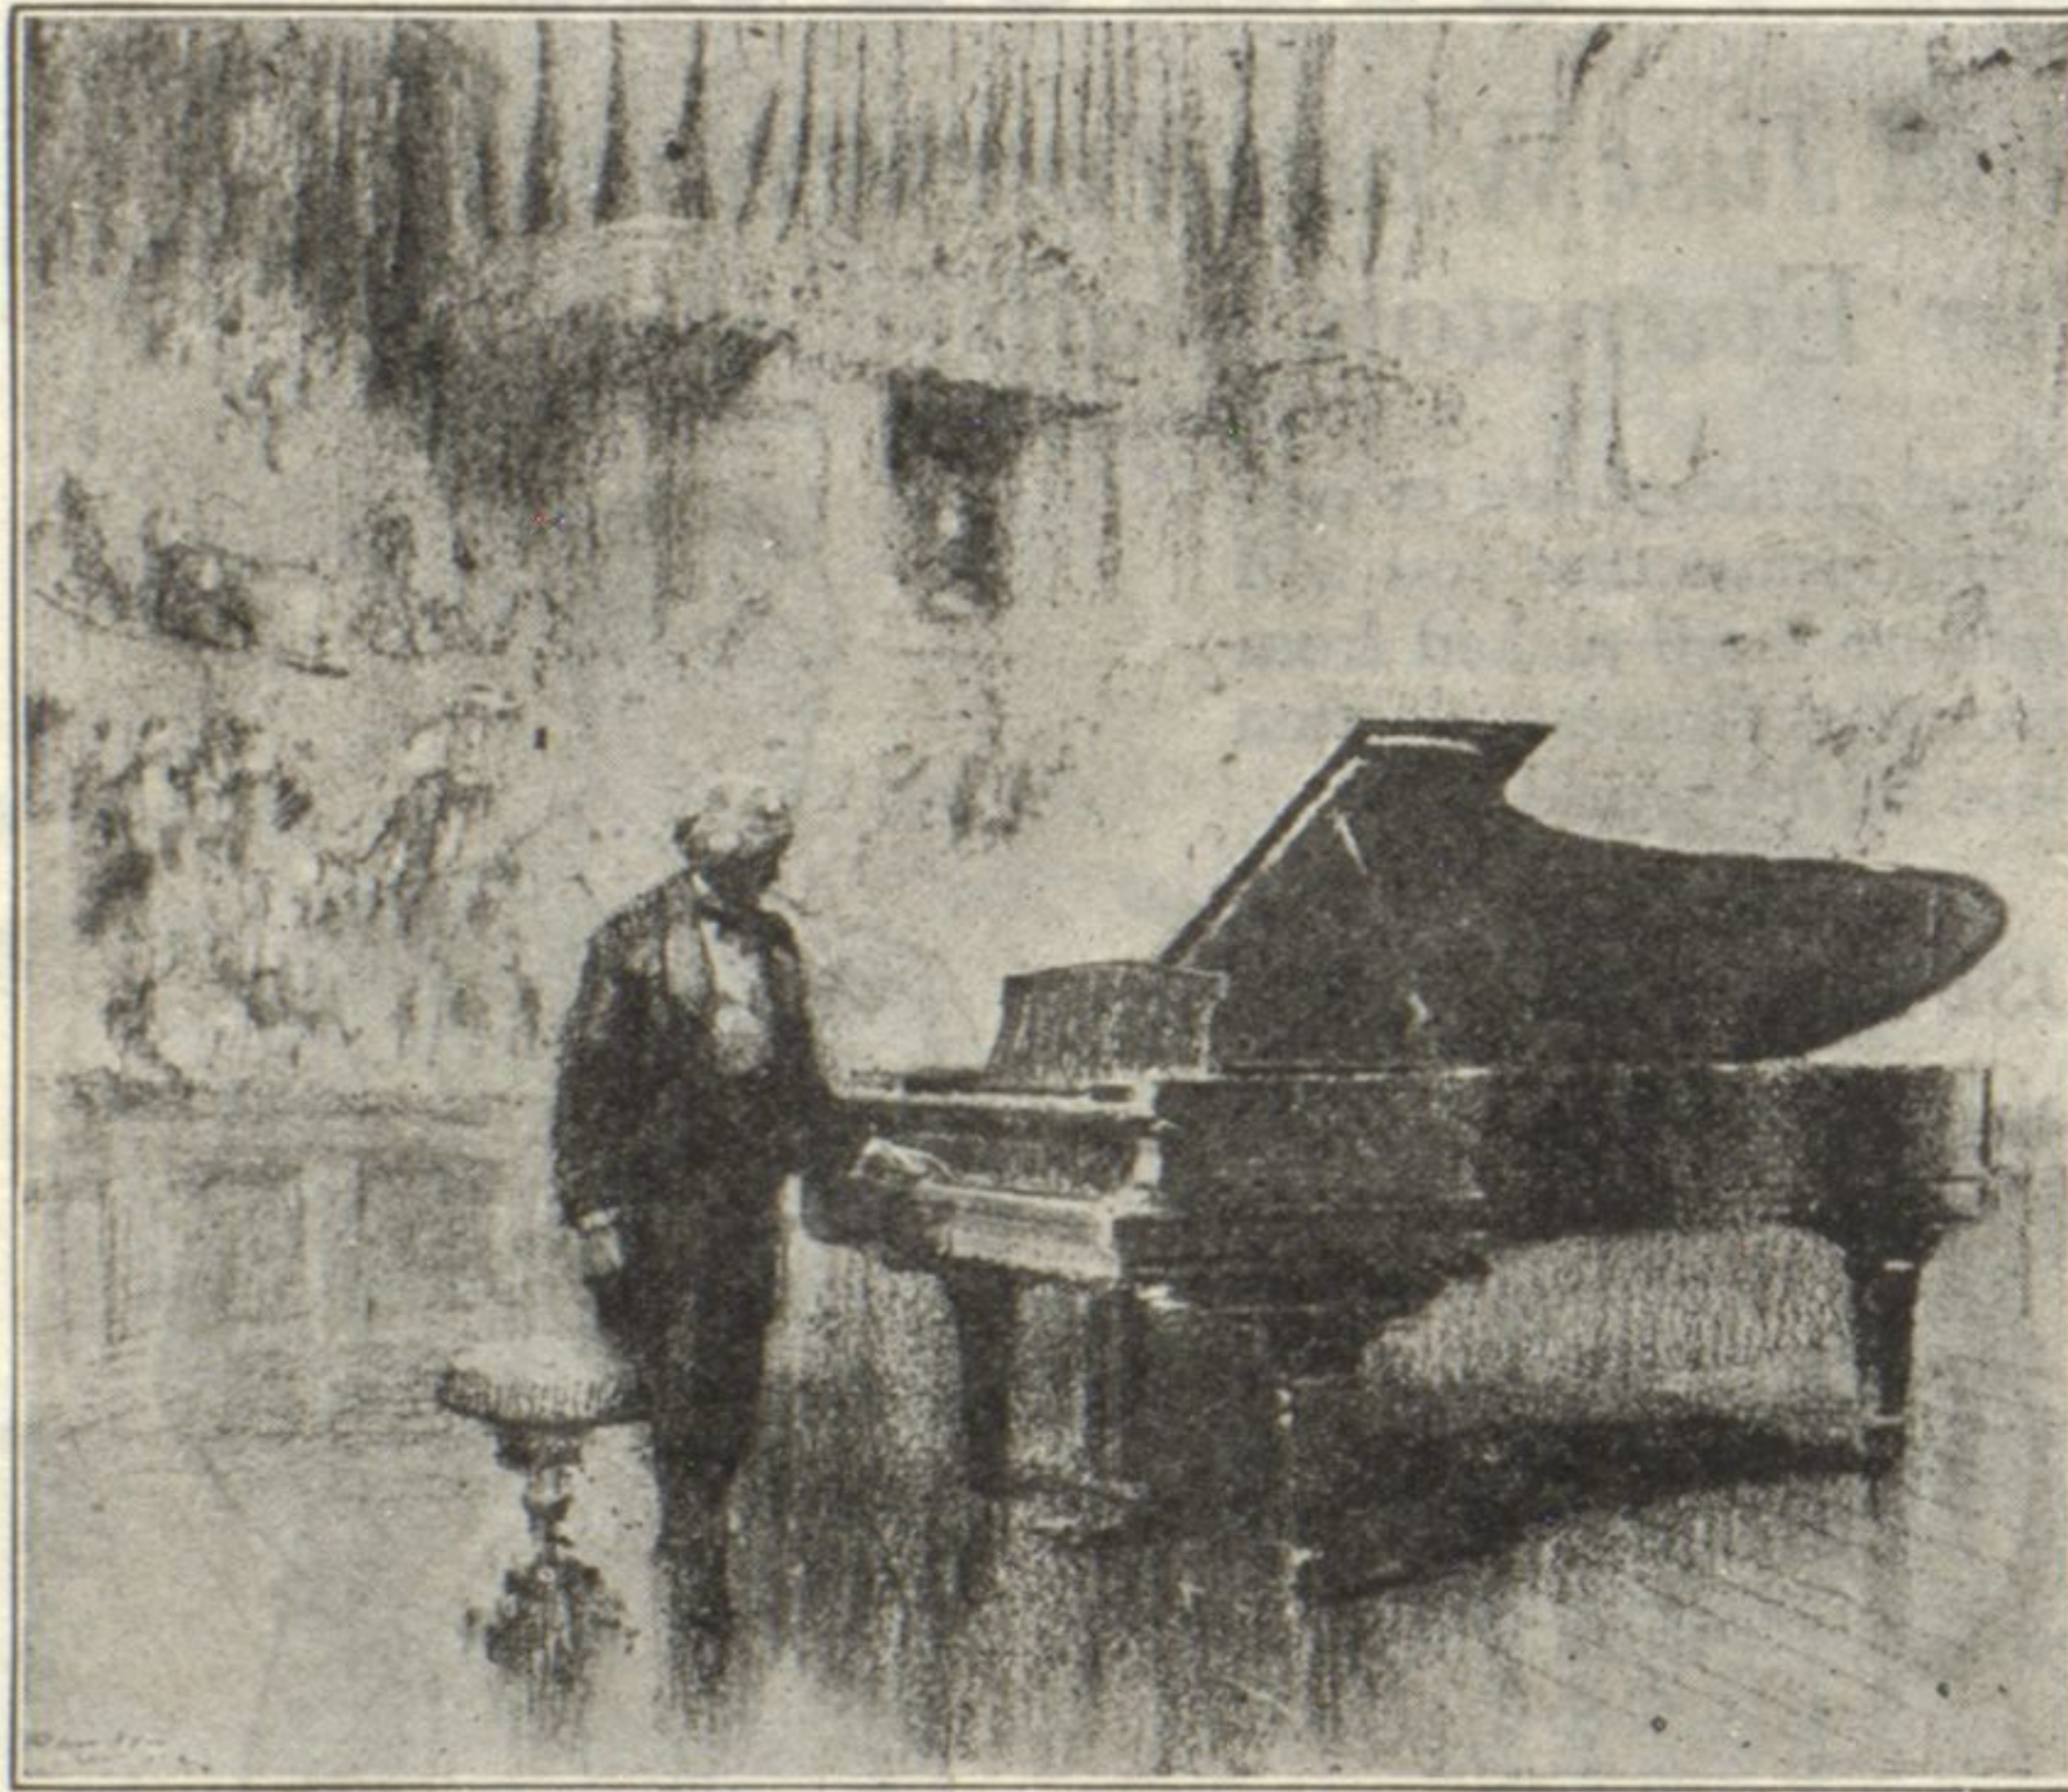

Nurseries and office one mile West of Waukegan Road.

## Christian Science Churches

"Substance" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, September 9.

The Golden Text was from I Chronicles 29:11, 12, "Thine is the kingdom, O Lord, and thou art exalted as head above all. Both riches and honour come of thee, and thou reignest over all."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Riches and honour are with me; yea, durable riches and righteousness. I lead in the way of righteousness, in the midst of the paths of Judgment: That I may cause those that love me to inherit substance; and I will fill their treasures" (Proverbs 8:18, 20, 21).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Spirit is the only substance, the invisible and indivisible infinite God. Things spiritual and eternal are substantial. Things material and temporal are insubstantial" (p. 335).

Miss Katherine Hamilton, daughter of Mr. and Mrs. J. L. Hamilton of 412 Walnut street, entertained a few of her Winnetka friends Thursday afternoon at luncheon and bridge.

Mrs. Ann Jeffries, 811 Bryant avenue, recently entertained Mrs. Bird-sall Parker of Telham Manor, N. Y. as her houseguest.

William D. Weissenberg of 965 Elm street has left for St. Thomas academy at St. Paul, Minn. to finish his senior year.
