

Pianist-Composer Will Have Winnetka Studio

Earle B. Armil, who is to form a class of piano pupils in Winnetka early this fall, is regarded by many critics as one of the most versatile of the younger Chicago musicians. Trained as a pianist by Rudolph Reuter, Josef Lhevinne and Scionti — whose assistant he has been for the past five years — Mr. Armil, it is said, represents that type of musicianship founded equally upon adherence to the best of the classical standards and full sympathy with the modernist trend of music.

Mr. Armil's interest in music, while

centering upon piano playing, is not confined to this particular field, as he has a wide variety of interests and is also a versatile musician. An accomplished singer, he has sung for Eric DeLamarter at the Fourth Presbyterian church in Chicago, and for Felix Borowski, in concert courses presented by the Civic Music association. He is also a composer. Among his compositions having had public performance are a sonata for violin and piano, a string quartet, a string quintet, a mixed quartet, a vocal quartet and several songs. He has also written several piano pieces for children. Mr. Armil's theoretical studies have been

made under Adolf Weidig, of the American Conservatory. He has also served as assistant music reviewer for the Chicago Daily Journal and Musical America.

The Winnetka classes will be held once or twice a week in a centrally located studio, announcement of which is to be made soon, it is explained.

PLAY ALLEY CHAMPIONSHIP

The second round of the Alley championship event will be played at the North Shore Golf club Saturday, September 15. A mystery prize is to be awarded.

Bradley First Foe for Coach Zuppke's Illinois Grid Men

The 1928 football season at the University of Illinois will have its premiere October 6, with Bradley Polytechnic of Peoria furnishing the opposition for the Illini for the second successive year.

Bradley, Little Nineteen champion, has been producing some of the best college football teams in the Middle-west during the past seven years, and their selection as the first opponent for Illinois speaks well of the experience the Peorians furnished the championship Illini team of 1927. This was the first time Bradley and Illinois had played, Bradley losing 19 to 0.

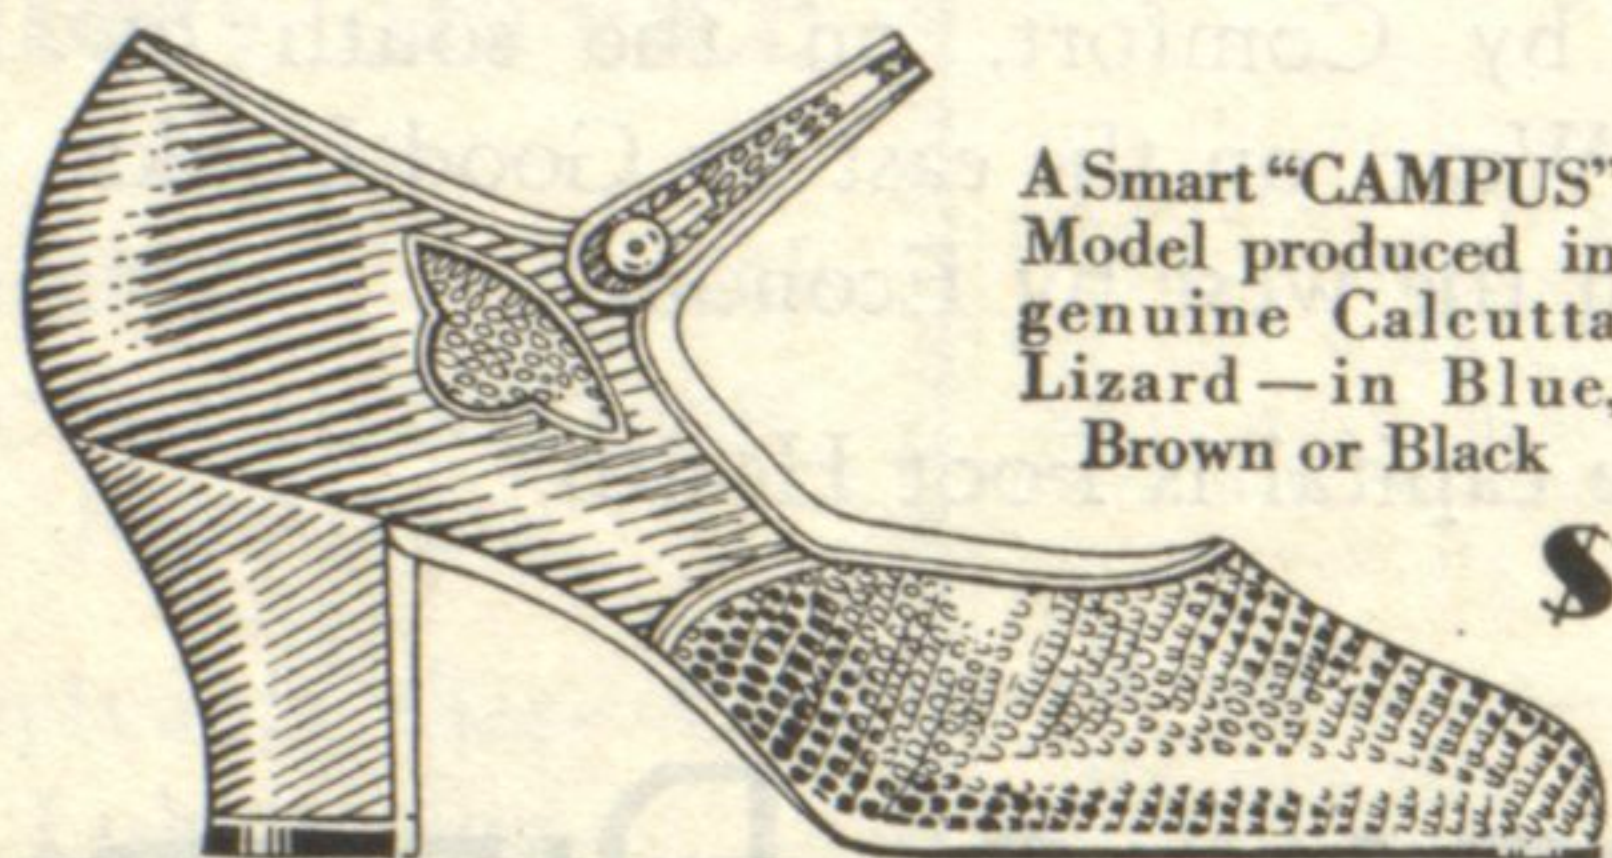

Athletic Director A. J. Robertson has been largely responsible for the excellence of Bradley football teams of recent seasons. During his seven years at the school, Bradley has won the Little Nineteen grid championship four times, taking three of them since 1925, and placing in the runner-up position three times. Prior to the game here last year Bradley had a string of 25 consecutive victories.

Another reason for respecting Tech is the presence in the line-up of Capt. William Metzger, a veteran of three years' varsity experience. Metzger is a 175-pound fullback, noted for his speed. In 1927 he was without doubt the outstanding college fullback in Illinois and was the unanimous choice for that position on the all-Little Nineteen conference team. Metzger is a baseball pitcher of ability and also holds the all time Bradley javelin record with a toss of 190 feet, four inches. He never played football before entering college.

The Illinois corn crop of 1918 was the most valuable ever raised by any state in the union.

THE MODE MODERNE-

by Foster

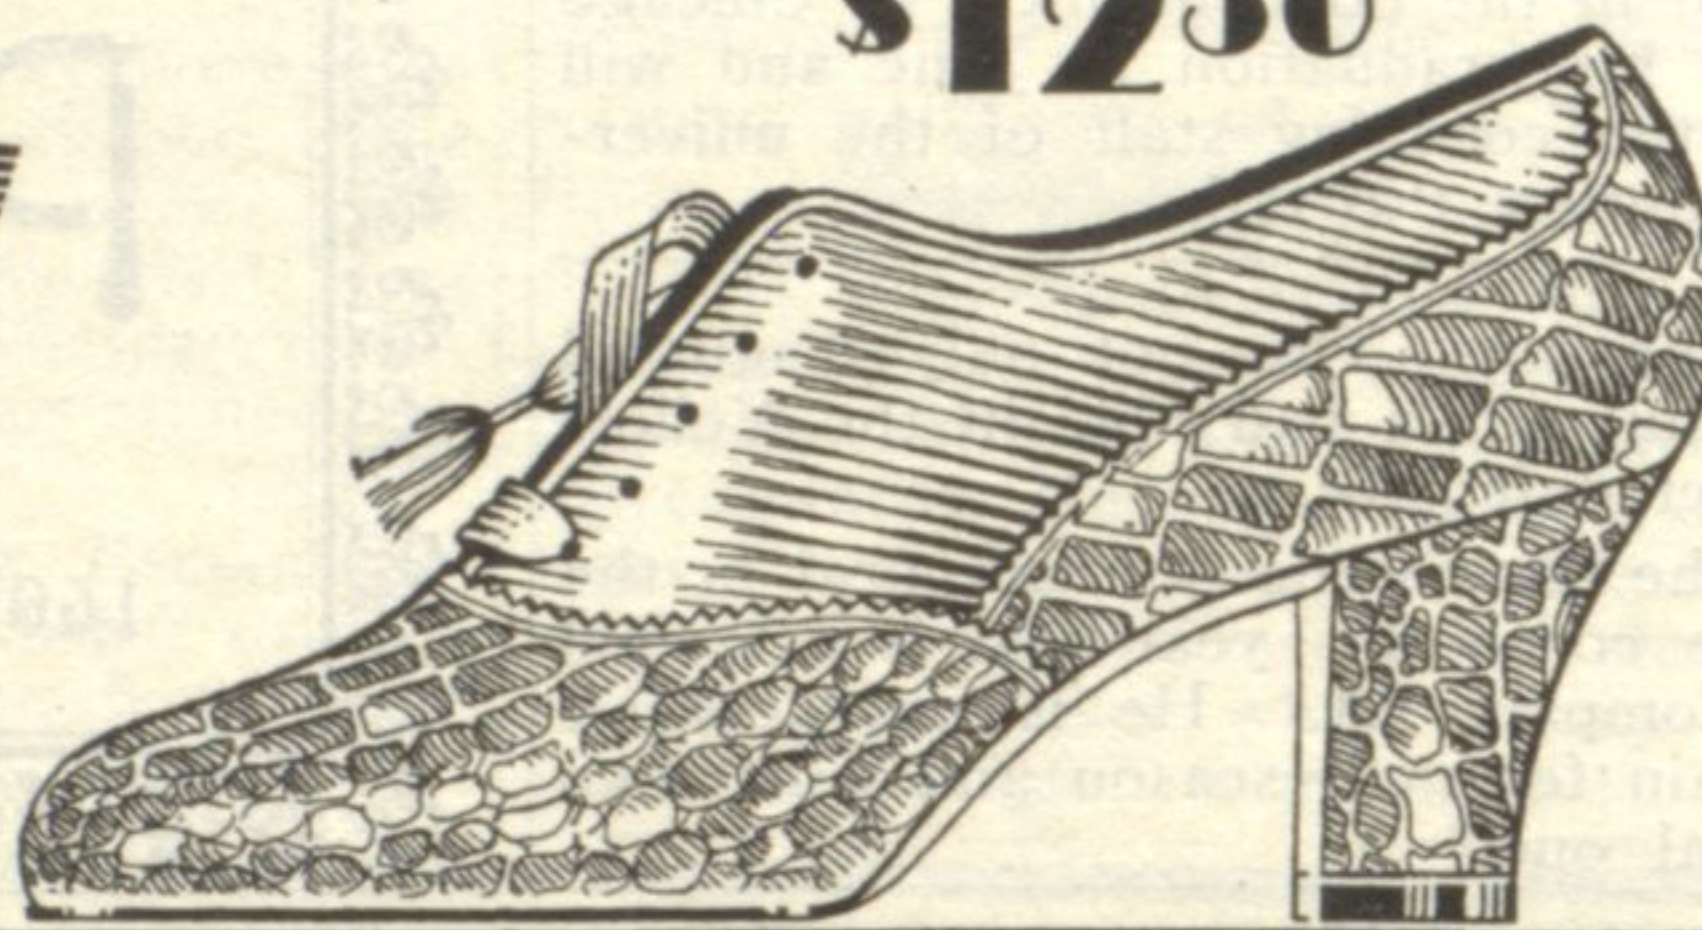

A Smart "CAMPUS" Model produced in genuine Calcutta Lizard—in Blue, Brown or Black

\$12.50

A "CAMPUS" Oxford of real Baby Alligator—in Seal Brown or Black
