

63 ATHLETES ANSWER NEW TRIER GRID CALL

Coach Aschenbach Predicts Successful Year With Tough Schedule in Prospect

Sixty-three aspirants for places on New Trier High school's 1928 football team had reported to Coach Walter Aschenbach for equipment by Tuesday noon of this week, the second day of school. Almost as many turned out for the first practice of the season on Monday afternoon, and the number was expected to reach one hundred or more by the end of this week.

Coach Aschenbach believes that the prospects for a winning football team at New Trier this year are excellent. Seven regulars of last year's team have returned to school, as well as a large number of players who have distinguished themselves in substitute positions.

Begin Intensive Practice

Intensive practice every afternoon for six days of the week is Coach Aschenbach's plan for getting his players ready for the opening of the season September 29, when New Trier is scheduled to play Fenger at New Trier. One of the stiffest schedules in the history of New Trier football has been arranged for this year. It includes games with Lakeview, Lindblom, Waukegan, Kenosha, Oak Park, Deerfield, Streator, and Evanston.

When the football season ended last year, New Trier's record was clean, save for one 7 to 6 defeat. This year there will be no defeats if the plans of Mr. Aschenbach and his gridiron warriors carry.

Following is the list of sixty-three athletes who reported for equipment by Tuesday noon, those marked with asterisks being the most likely applicants for places on the first or second squads:
