

Some Questions Answered

about

The Christian Science Monitor

An International Daily Newspaper

Q. What is *The Christian Science Monitor*?

A. A daily newspaper read throughout the world.

Q. How does it differ, in its contents and its policies, from other daily newspapers?

A. It publishes only clean, constructive news, omitting accounts of crime and scandal. It views all events from an international standpoint, and its columns are free from the influence of political or financial interests.

Q. What kind of people read the *Monitor*?

A. People who want a clean, reliable daily paper, telling them the important events of the day, together with interesting news and comment relating to Music, Art, Drama, Education, Literature, Business, Finance, Sports, Radio. Household and Young Folks' pages are also regular features of the *Monitor*.

Q. Why do advertisements in *The Christian Science Monitor* bring satisfactory returns?

A. Because readers of the *Monitor* are glad to give their cordial support to the advertisers who use its columns.

The Man-in-the-Moon's MEALTIME STORIES

A little pig went to market
 And wisely was his money spent.
 He bought foods for his family,
 That made the piggies squeal with glee.

Your little ones will gleefully prefer the delicious meat we send, with such obliging speed, to your home.

A Service That Pays For Itself

RECORDED ALEMITE SERVICE costs no more than you now pay for ordinary greasing service, so why not have it? What's more, genuine Alemite-ing pays for itself many times over in what it saves.

It's not what you pay for gasoline, for oil, or for tires that runs up operating costs. It's repairs! Ask any garage man and he will tell you that 80% of automobile repairs are due to faulty or neglected lubrication.
