## Almost Unbelievable Opportunity To Buy a \$22,500 Home At a Genuine Sacrifice.

This seven room stucco house has four bedrooms and oil heat. It is most advantageously located in finest southeast Wilmette, close to schools and transportation.

The lot alone is worth \$13,500. A conservative bank has just loaned twelve thousand dollars.

The house is obtainable at one half reproduction cost solely because the present owner took it in trade on a large transaction and has decided to write off enough to move it at once.

We congratulate the quick acting buyer who first makes a deposit.

#### A CORRECTION

In a Kleen-Heet advertisement appearing in last week's issue it was stated that "the new type 805 Kleen-Heet was selected to heat the new Chicago Filtration plant." The phrase should have read "the new type 805 Kleen-Heet was selected to heat the new Glencoe Filtration plant."

Mr. and Mrs. Howard A. Gray, 844 Hibbard road, and their children returned a week ago from Madison, Conn., where they had spent the summer.
