

Burn Garbage and
Rubbish in a
GAS INCINERATOR
for
Sanitation—Health—Cleanliness

*Installed for Less
than \$100*

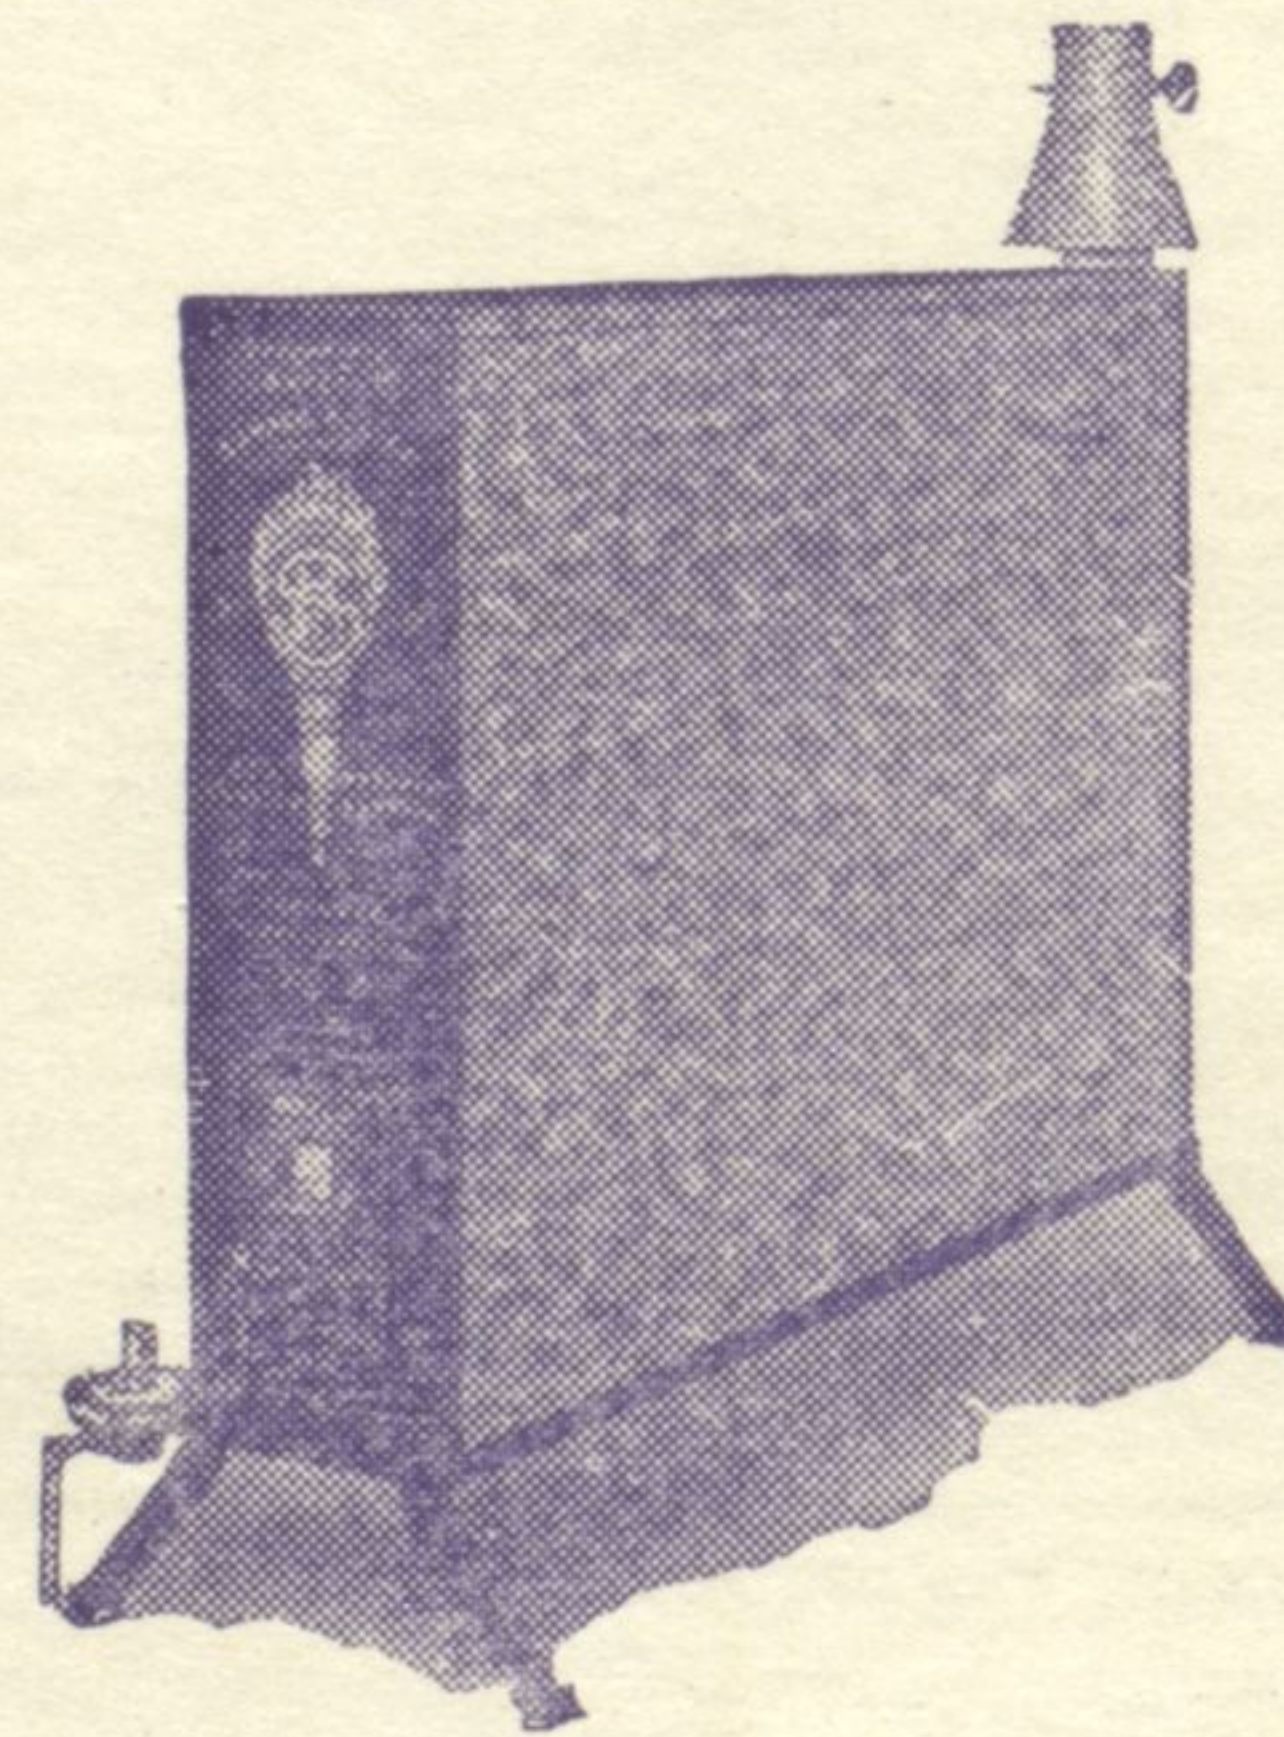

Small down
payment—one
year to pay
balance

No more vermin breeding garbage cans or rubbish barrels when you have a **GAS INCINERATOR** in your home. When you burn your garbage and rubbish, there is no chance for unsanitary conditions to exist on your premises.

Install a **GAS INCINERATOR** Now!

Have Winter Driving
Comfort with a
**SCIENTIFIC
GARAGE HEATER**

It keeps your garage warm even on the coldest winter days. Your car starts easily—as readily as in the summer. Before winter comes—see us about having one installed in your garage.

Small down payment—one
year to pay balance
