There are classes for women, social dancing classes for boys and girls, classes in fancy dancing for girls, gymnasium work for men and boys of all ages, for business girls and for clubs and other groups.

### "THE FOURTH DIMENSION"

"The Fourth Dimension" is announced as the topic of the sermon by Rev. James Austin Richards at Winnetka Congregational church Sunday morning at 11 o'clock.

## Women Voters to Witness Sketch, "Day at Polls"

The Winnetka League of Women Voters begins a season of intense activity with its opening meeting Monday, October 1. There will be a luncheon at 1 o'clock in Rudolph Matz hall, Community House, followed by a brief business session over which the president, Mrs. Montague Ferry, will preside. A short talk on league membership will be given by Mrs. William A. Roberts, president of the Chicago League of Women Voters Forum.

The meeting will then be turned over to Mrs. Ernest P. Bartlett, chairman of the Efficiency in Government committee, who will present as her program, "A Day at the Polls." This is a clever and interesting dramatization of a day at an election polling place which has been in the hands of a political boss for many years. The characters in the play are taken by Judge Edmund K. Jarecki and the election commissioners of Chicago.

Luncheon arrangements are in the hands of Mrs. Frank T. Crawford, and reservations should be made with her by Saturday noon at Winnetka 1279. The service at the luncheon will be in charge of Mrs. William A. Hadley, chairman of precinct 8, and Mrs. Hugo Lauer, chairman of precinct 25. They will be assisted by their block captains.

The date of the meeting has been advanced one week from the regular meeting day of the League, this change having been made to accommodate Judge Jarecki.

## Zoning Commission to Hold Public Hearing

A public hearing will be held by the Winnetka zoning commission at the village hall next Monday evening at 8 o'clock on proposed amendments to the zoning ordinance, establishing a double "A" residential area, and changing the northwest corner of Elm street and Arbor Vitae road from "A" residential area to "C" commercial.

## Gives "Ballot" Play

Judge Edmund K. Jarecki of the County court, assisted by the election commissioners of Chicago, will present "A Day At The Polls" at the opening meeting of the Winnetka League of Women Voters Monday, October 1, in Rudolph Matz hall, Community House.

## Even Our Coppers Acquire the Habit; Begin School Term

All of Winnetka's schools are now operating on regular fall schedule.

The latest school, that conducted by the police, fell into line Monday afternoon, with a large enrollment, the old staff of instructors in charge and under the direction of W. M. Peterson, chief of the department.

The sessions are held in the police court room each Monday afternoon at 3:30 and will continue throughout the fall and winter months. These weekly sessions for police instruction have been held each year since the department occupied the present Village hall quarters and have proven to be not only beneficial, but enjoyable, as well.

When Chief Peterson takes his vacation a little later, the school will continue even though the "Prof" is away. Sergeants Harry Enault and J. G. Boyd will assume the roles of instructors during his absence.

The curriculum of the Winnetka Police school includes a wide range of studies, delving into the laws of the village, state and nation, together with all their fundamentals including their making and enforcement.

## TURN YOUR CLOCKS BACK!

Central Standard time will be resumed again throughout the Chicago area Sunday morning, September 30, and it will be necessary to turn your time-pieces back one hour if you wish to conform with the schedule of things on Sunday. All church services on Sunday will be in accordance with Central Standard time. Turn your clock back one hour upon retiring Saturday night!
