LYRIC RADIO

These New 1929 Model Radios and phonograph combinations represent the latest refinement in musical reproduction. Ingeniously designed chasses assure the ultimate in recreation of music and the human voice. Powerful circuits employing seven and nine tubes, including power rectifier, provide abundant volume and great distance power. Wide selection of richly finished walnut cabinets. These late models are awaiting your inspection at our store. Come and see and hear them today—or phone Winnetka 2129 for a home demonstration.

Model 85 (9 tubes)

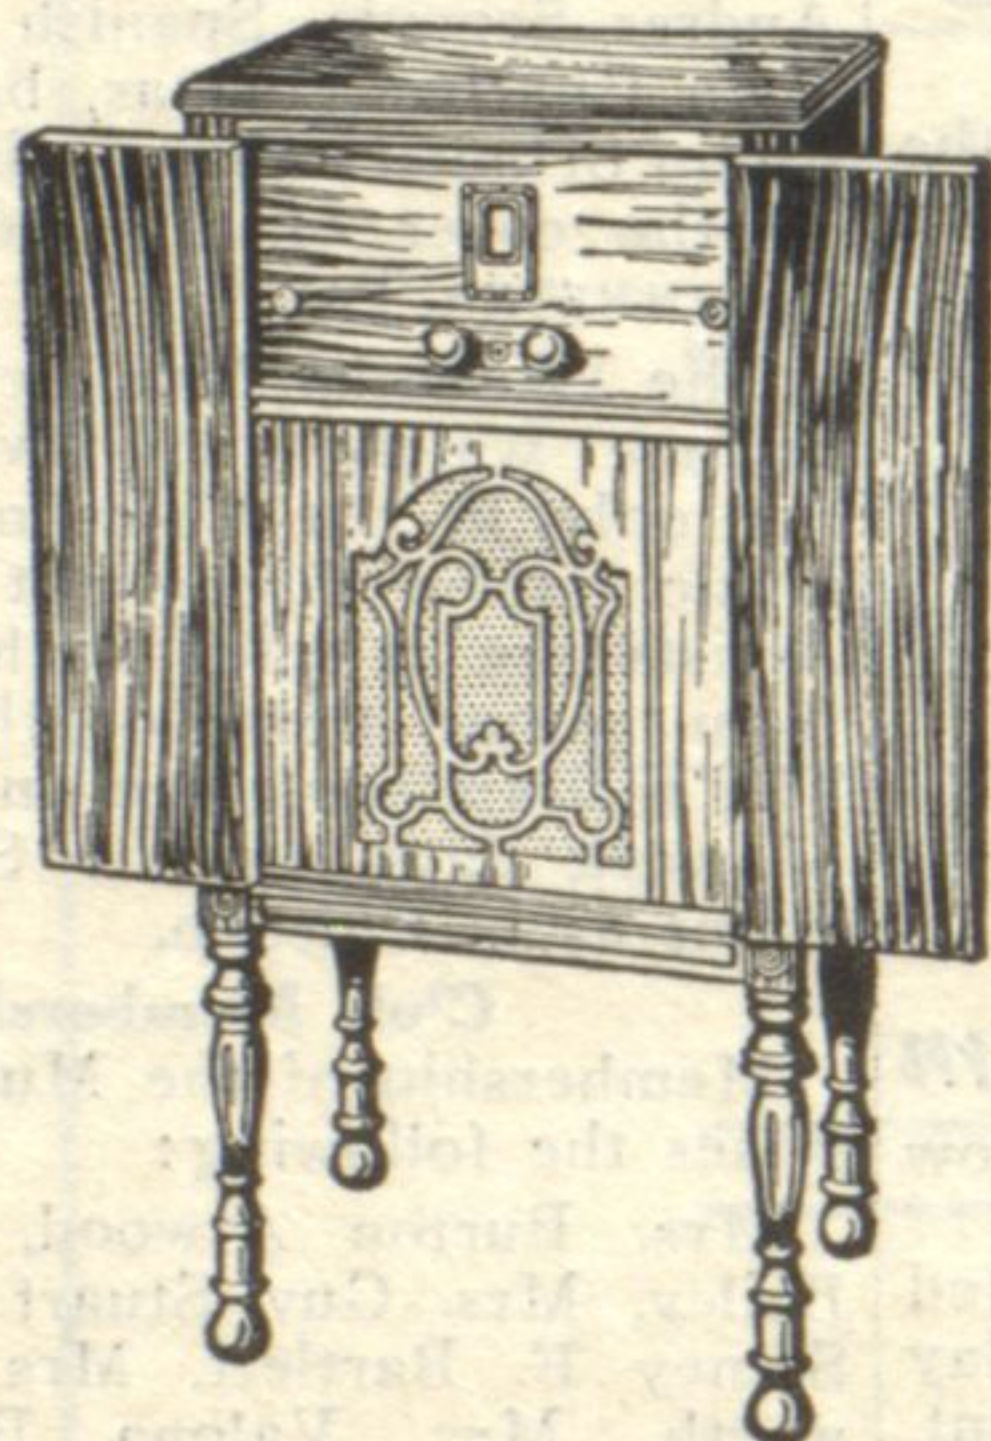

This powerful 9 tube set is unequalled for tone, selectivity and distance. Employs 2 power tubes. Cabinet is of select 5-ply burl walnut with hand-rubbed piano finish. Turned legs and maple inlays add further to its beauty. May be had with dynamic power speaker at \$35.00 additional. See this new 1929 model today.

\$195.00 less tubes

Model 66 (7 tubes)

Here is a radio-phonograph combination with electric motor and electric pick-up. Records reproduced with wonderful tone. Two artistic record albums included. Both radio and phonograph are exceptional on music and voice. Burl walnut cabinet of fine quality.

\$280.00 less tubes

Model 65 (7 tubes)

Without doubt the best value of the day. Rich walnut cabinet with contrasting maple panels. Hand rubbed piano finish. A luxurious radio at a surprisingly low price.

\$137.50 less tubes
