

### John Hartnett in Charge of Peirce Stable of Horses

John Hartnett, formerly superintendent and riding master at the Indian Hill Riding club and who for the past eighteen months has been conducting the Hartnett Riding Stables at 437 Chestnut street, Winnetka, has been engaged by Col. Albert E. Peirce, of 656 Ardsley road, Winnetka, to take charge of his stud of high class hunters.

Mr. Hartnett has disposed of most of his family of high class jumpers, but still owns Great Scott and Black Sand.

Great Scott is considered one of the best horses Mr. Hartnett ever owned, both as to beauty and performance. This season he won three ribbons at Lake Forest, competing against the best class thoroughbreds of the north shore. Also, at the Palatine Society horse show, Great Scott won five ribbons, including two blues, where he was the center of attraction in his performance.

Great Scott is a bright bay gelding, bred in Canada and registered in the Canadian Jockey club. His sire is Great Britain, his dam, Flora Bassett, both thoroughbreds of high reputation.

Mr. Hartnett has owned other champion jumpers on the north shore, including Melwood, Gibson Girl, Cabin Boy, Wild Wave, Shureput, and others equally well known, all blue ribbon winners.

#### ENTERS SCHOOL ABROAD

Mr. and Mrs. John Crawford McKeown of Private road have returned from their summer home at Pentwater, Mich. Miss Ann Winifred McKeown, their daughter, sailed the early part of September from New York on the Berengaria, for Switzerland, where she is entering a school.

### Coveted Prize

Photo by Lehle

With two of the three trophies of the Winnetka Playfield association safely tucked away for another year, interest is now centered upon the Dirigold cup, posted this season by the Roche Drug company, of Hubbard Woods. There are yet two rounds to play in the Roche cup event.
