# Saves money!

WHEN you send the laundry to us you save money. For instance the work that any washing machine can do is only equivalent to our Wet Wash Service, which costs but 5 cents a pound. You couldn't begin to do the laundry at home for such a figure, could you? Besides, you have the disagreeable bother of washday.

Let the **LAUNDRY** do it!

### Purple Shape Up Well for Butler October 6

Brisk scrimmage drills marked the opening weeks of practice for Northwestern university's grid candidates as Coach Dick Hanley endeavored to get his charges in readiness for the opening game of the season against Butler October 6.

Potsey Clark, the new gridiron mentor at Butler, is expected to bring a husky eleven on the Evanston invasion and a stiff encounter is in prospect.

In John Cavosic and Alan "Red" Framuth, the Bulldogs have two veteran backs who are depended upon to bear the brunt of the visitors' attack. These two boys will be called on for most of the punting and drop kicking. Other dependable backs are Francis Royse, George Nulf, Harold Templeton, Clean Reynolds and Hubert "Curley" Hinchman. The latter, a full-back, is a newcomer to the squad of whom much is expected.

#### "WHAT IS TRUTH?"—TOPIC

The next Baha'i lecture will be given Sunday, September 30, at 4 o'clock, in foundation hall, Linden avenue near Sheridan road, Wilmette. Dr. Albert R. Vail will speak on the subject:—"The Independent Search for Truth. Just What Is Truth." This is the second of a new series of lectures on modern world and spiritual subjects to be given from the Baha'i or universal standpoint by Dr. Vail and to be continued each Sunday through October. The later topics will be announced through these columns.

Mr. and Mrs. C. W. Truex of Sunset Ridge entertained about fifty children yesterday for their daughter, Carolyn, who celebrated her fifth birthday.

### Tennis Players at New Trier Battle for Class Honors

Kaufman and MacLean have advanced to the semi-finals of the senior class championship in New Trier's fall tennis tournament. The winners between Rogers and Koretz and Glover and Brown will also be in the Senior semi-finals.

Morris, ranking player at Senn High last year, will play the winner of the match between Ludwig and Swabacker for the junior championship.

Kavanaugh and Mee will play for the sophomore championship Saturday and the champion of the freshmen class will be the victor of the match between Hoffman and Shelley.

Seven teams are in the second round of the doubles tournament now. As the doubles contests are carried on between advisor rooms the names of their advisors are put in parentheses after each team. The teams are:—Stanton - Livingston (Nay), Ray - Prouty (Nay), Ludwig-Kelley (Buckingham), Cohn - Morris (Jackson), Dickesnon-Glover (Schumacher), Redhead - Milton (Walton), Banta - MacLean (Walton).

#### GOLF TOURNEY PLAYED

A golf tournament similar to the tennis tourney now in progress at New Trier High school will be started soon. The entry list which closed Wednesday afternoon indicated a good deal of interest on the part of the students.

Mr. and Mrs. Alonzo T. Folger have moved to Rock Island, Ill., where Mr. Folger has been appointed manager of the Fort Armstrong hotel. Mrs. Folger, formerly Miss Luella Burrows, was a bride of this past summer.

### Around the Corner and there you are

The Virginia—for years the home of many of Chicago's most conservative and representative families—is a quiet, friendly hotel where one may live in spacious, comfortable apartments—dine well—sport with one's children in a large yard—and yet be only a step from the Loop, the theatres and the better clubs.

Under the new director, Miss MacLaughlin, old friends will find The Virginia not only improved in service and management but also in decorations and furnishings.

There are still several vacancies in one, two and three room apartments at unusually reasonable rentals.
