## Christian Science Churches

"Reality" was the subject of the lesson-sermon in all Churches of Christ, Scientist, Sunday, September 23.

The golden text was from Psalms 119:89, 90, "Forever, O Lord, thy word is settled in heaven. Thy faithfulness is unto all generations: thou hast established the earth, and it abideth."

Among the citations which comprised the lesson-sermon was the following from the Bible: "Ponder the path of thy feet, and let all thy ways be established. Turn not to the right hand nor to the left: remove thy foot from evil" (Proverbs 4:26, 27).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Man walks in the direction towards which he looks, and where his treasure is, there will his heart be also. If our hopes and affections are spiritual, they come from above, not from beneath, and they bear as of old the fruits of the Spirit" (p. 451).

Robert Burrows, son of Mr. and Mrs. R. J. Burrows of 216 Myrtle street, and Curtis Tatham, son of Mr. and Mrs. C. C. Tatham of 349 Hawthorne lane, have gone to Rochester college, Rochester, N. Y., for their freshman year.

## Kenilworth Women Voters Open Season in October

By P. H.

The Kenilworth League of Women voters, with Mrs. Mark Cresap as president, is planning an opening meeting the latter part of October. The league is arranging a program which will be of vital importance to every member at this important time. With the Presidential election so near at hand there are a number of speakers available with information which every woman should hear. A drive will be made to have every woman in Kenilworth a member of this league.

The league has grown from small beginnings and limited interest to a large and flourishing group and its officers are eager to have its membership one-hundred percent.

Announcement of the date and speaker will be made in a future issue of the Wilmette Life. Following the usual custom the league will probably have a buffet luncheon served on that day.
