

**A BASEBALL FAVORITE**

**Runnfeldt's Clouting and Fielding Kept Winnetka Ball Team on Top in Many Games**

Just at a time when the Winnetka baseball team should have been winning games and taking possession of the coveted New Trier township championship, the club hit a slump and was forced to accept four defeats in a row.

Throughout all this, "Fid" Runnfeldt carried more than his share of the burden in attempting to put the scrappy nine back on its feet. The stocky little left-fielder shifted from seventh place in the batting order to the clean-up position. His heavy clouting aided materially in putting the locals back in the fracas many times when the boys appeared to be out of the picture.

"Fid" not only pounded the ball with a vengeance, but also performed in stellar fashion on the defensive. Often he dashed deep into left field territory and brought down liners that were ticketed as extra base wallops.

**Women Voters News**

Mrs. William G. Hibbard as chairman of the program committee for the state convention of the Illinois League of Women Voters is busy completing the program details. The convention will be held in Moline November 12 to 15. Delegates from Winnetka will be elected at the meeting of the Winnetka board of directors on Monday.

The board of directors of the Winnetka League of Women Voters will meet at 11 a. m. on Monday in Community House. The plans for getting out the vote will be the main business of the meeting.

Mrs. Ernest P. Bartlett, chairman of the Efficiency in Government committee of the Winnetka league, represented the Winnetka league at the state meeting of her committee on Friday at state league headquarters. This committee is planning to hold ballot-marking demonstrations in the Loop prior to the election. The Winnetka league election headquarters will be under the direction of Mrs. Charles Keller and will also conduct ballot-marking demonstrations.

**FIRE WAS IN FURNACE**

The Winnetka fire department was called to the residence of Police Sergeant Ed Cummings, 1125 Tower road, Wednesday afternoon, where an overheated furnace caused alarm. No damage resulted, however.

Mrs. F. M. Cherry, Mrs. A. B. Adair, and Mrs. J. M. Roberts of Kenilworth are home from a month's motor trip east. Mrs. Cherry visited in Ithaca, N. Y. and Mrs. Adair took her daughter to Wellesley.

**Golf Champion**

Bobby Jones, look to your laurels! We refer, namely, to young Bob Steffens, 17 year old high school lad and son of Mr. and Mrs. John M. Steffens of 1611 Washington avenue, Wilmette, who a few days ago captured the an-

nual Stanolind Golf championship at the Ridge Country club against a field of 225 golfers. Bob, by sticking close to par, negotiated the out nine in 37 and took a 39 on the home nine to finish with a 76, or four strokes under his nearest competitor. Par for the course is 70. He received the Board

of Directors cup, which was contributed by Col. R. W. Stewart, chairman of the Board of the Standard Oil company of Indiana. Bob is a student at New Trier and learned his golf as a caddy on various north shore links. He has been employed by the Standard Oil company during his vacation.
