**APPROVE BABY CLINIC**

**Village Council Hears Health Officer's Report of Highly Successful Health Venture Here**

The fact that the Winnetka baby clinic has found general approval with mothers of the village was evidenced Tuesday evening in the annual report on the work of the clinic as submitted by Dr. H. A. Orvis, health officer, to the Village council at its regular semi-monthly meeting.

The report was for a period of fifty weeks, the fiscal year ending June 30, last. One clinic was held each week during that time and the report shows there was a total attendance of 396 babies, in addition to ninety older children, whom came with their mothers and many of whom were given health examinations, thus making the total attendance 486.

The number of babies enrolled was 77; the average attendance at each clinic nine, and the average attendance by each baby, five.

The report of the work done by the clinic was gratifying to every member of the council, particularly to Trustee Doris D. Benson, chairman of the health committee, upon whose suggestion and recommendation about a year ago the Village council authorized organization of the clinic.

Clinics are held once each week at the Village hall and are under the direct supervision of Dr. Orvis and the health committee of the council.

*Here's a Chance  
to See Ohio-N. U.  
Game Sans Cost*

Perhaps the questions in last week's WINNETKA TALK football ticket contest were too difficult for the fans, or perhaps football enthusiasm had not warmed up very much last week. Whatever the reason may be, there were fewer answers received than to any contest since WINNETKA TALK started this feature a year ago. There were enough answers, however, to keep the Contest Editor busy several hours figuring out who were entitled to the tickets to the opening games this Saturday. Only one answer was absolutely perfect, but a number of them were nearly so. The prize winners as finally figured out are as follows:

W. D. Seymour, 782 Center street; E. Hartshorn, 943 Spruce street, and P. W. Lieber, 696 Ash street. Tickets for reserved seats at the Northwestern-Butler game today were mailed to each of these successful contestants.

And now, our Contest Editor has eased up a bit, with the result that the Contest as described in this issue of WINNETKA TALK should bring a bag full of answers. All you must do is to estimate the combined scores (a single figure) of the sixteen teams listed on the Contest Page. The first three persons to submit correct or most nearly correct answers will receive one reserved seat ticket, each, for the Ohio-Northwestern game of October 13 at Dyche Stadium. The contest closes at noon Wednesday, October 10. Read the contest rules on Page 2 of this issue.

**Motion Picture Assembly at Horace Mann School**

A motion picture assembly will be held at the Horace Mann school next Tuesday or Wednesday, when a Burton Holmes travel picture will be shown. One of the interesting assemblies at the Horace Mann school this week was a museum assembly to which the students brought all sorts of curious things from their homes.

**NAME CLASS OFFICERS**

Marshall Ling of Wilmette was elected president of the junior class of New Trier High school at a meeting held this week. Jean Thackery of Winnetka was elected vice-president; Charles Southward, of Kenilworth, was elected treasurer; and Loretta White, of Kenilworth, was elected secretary.
