

**WOMEN VOTERS MEET**

**Luncheon of Winnetka League Held in Rudolph Matz Hall Monday With 250 in Attendance**

About 250 women attended the opening luncheon meeting of the Winnetka League of Women Voters in Rudolph Matz Hall on Monday. Many who did not attend the luncheon came over from the meeting of Christ Church Guild, which very graciously shortened its session in order to co-operate with the League. Mrs. A. Montage Ferry, president, presided at the meeting, which was the first regular meeting since her election to that office.

Mrs. W. A. Roberts, president of the Chicago League of Women Voters Forum, gave a short talk on league membership, bringing out the national, state, and local activities, in which each member has a part. An interesting guest who was present to bring greetings from Japan, was Miss Ichikawa, the director of the Woman's Suffrage organization in Tokio.

The dramatization of "A Day at the Polls," acted by the election commissioners of Chicago, was the program feature of the day. This scenario was prepared by Robert L. Taylor of the legal department of the election board, assisted by election officials and co-operating organizations, a large part of the work being done by Mrs. Paul Rittenhouse of the Illinois League of Women Voters. A typical Chicago election polling place was depicted, beginning with the opening and closing of the polls. Voters were challenged and challenges were sustained and rejected, according to the interpretation of the law. Ballots not initialed were detected and thrown out. Electioneering at the polls was handled in many amusing ways, and the efforts of the precinct captains to win votes brought forth much laughter from the audience. The election machinery was brought home to the women voters in a way never appreciated by them before.

Mrs. E. E. Stults, chairman of the living costs committee of the Winnetka league, represented Winnetka at the state meeting of her committee on Thursday, and Mrs. Benjamin Pfeiffer, chairman of education, attended the state meeting of her committee on Monday. Both meetings were held at state headquarters, 203 N. Wabash avenue.

The October number of the Woman's Home Companion, in an article entitled, "Lost—14,000,000 Women Voters," gives the plan used by the Winnetka league in past years for getting out the vote. The plan was written by Mrs. John Vander Vries at the request of the director of the Good Citizenship Bureau of the Home Companion.

**Rev. Goodwin to Build New Waukegan Church**

The First Congregational church of Waukegan to which the Rev. Thomas A. Goodwin, formerly of Winnetka, recently was called as pastor, is preparing to build a new church.

The building committee and other members of the congregation Thursday of this week made their second tour of inspection of Chicago churches for the purpose of obtaining information to aid them in their plans.

A service of recognition was held for Mr. Goodwin Sunday morning. The sermon, on "Partial and Whole Views of Life," was preached by Dr. E. G. Guthrie, general director of the Chicago Congregational Missionary and Extension society.

The right hand of fellowship was extended on behalf of the church by L. J. Wilmot; on behalf of other Waukegan churches, by the Rev. E. C. Beach and on behalf of the Congregational Missionary and Extension society, by the Rev. C. E. Laidman.

**Call Session to Discuss Lincoln Extension Scheme**

H. L. Raclin, chairman of the streets, drainage and forestry committee of the Winnetka Village council, has called a meeting for Friday evening, October 5, for the purpose of again considering the question of extending Lincoln avenue from Elm street south to Oak street.

This matter has been before the council for several years, but, inasmuch as it involves also the question of grade separation requirements and plans of the owners of the property east of the tracks in regard to future development, no definite agreement has been reached.

It is hoped by all concerned that this meeting may result in the adoption of a plan which will result in substantial progress.

The Johanna North Shore committee will hold its first meeting of the season on Thursday, October 11, at the North Shore Congregation Israel. Luncheon will be served at 12 o'clock. The committee is a philanthropic organization which sews for the hospitals.

**CHARMING FALL FROCKS**

Emphasizing all the new features—flares, pleats, cape collars, etc., inspired Frocks that follow the mode authentically.
