RESUMES TREE BUSINESS

George A. Barrett, World war veteran, incapacitated for several years by shell shock, has regained his health and is again engaged in his profession of tree expert. The firm, designated the Barrett Tree organization, is located at 513 Fourth street, Wilmette.

VISITS ON NORTH SHORE

Mrs. C. Dean Klahr of Erie, Pa. (Helen Shurtleff) and her two children arrived in Wilmette Tuesday for a month's visit at the home of Mrs. Klahr's sister, Mrs. John Campbell of 815 Lake avenue. Mrs. Munroe Cole of Winnetka, another sister of Mrs. Klahr, was hostess at a treasure hunt and supper in her honor Saturday evening.

FRED B. SMITH WILL ADDRESS SUNDAY CLUB

Internationally Famous Y. M. C. A. Worker and Lecturer Comes to the North Shore Oct. 7

Fred B. Smith, famous Y. M. C. A. worker, lecturer and author, will talk October 7 before the Sunday Evening club of Wilmette. The meeting will be at 7:30 o'clock in the First Congregational church and Mr. Smith's subject will be, "America at the Cross-Roads."

Mr. Smith has addressed the Sunday Evening club on two occasions. He has just returned to his home at White Plains, N. Y., before starting on this lecture tour. He has been chairman of committees on law enforcement and on international relations.

Beginning his public career as chairman of the Y. M. C. A. organization at Sioux Falls and Dubuque, Ia., Mr. Smith in 1896, turned to evangelistic work until sent by the international committee of the Y. M. C. A. to the army camp at Chickamauga in 1898. He was a missionary among the army camp at Chickamauga in 1898.

In his Y. M. C. A. work Mr. Smith always urged a greater emphasis on the religious phase of the Y. M. C. A. work. He became international secretary of the Y. M. C. A. in 1910.

Miss Anna Nyberg will complete the program for the evening with a group of violin solos.

Community House Activities Open for Winter Season

Community House regular activities for the season will begin during the coming week. Starting with the woman's gymnasium class Monday morning, under Harry P. Clarke, the different gymnasium classes for men, women and children, the social dancing and rhythmic dancing groups will begin work. "Friendship Circle" club for girls holds its first meeting Tuesday evening at half past eight. Any maid work in Winnetka homes will be most welcome in this group, and is urged to come and join with this friendly club, and share in their happy times.

Registration for the classes in English for foreign born men and women will be held Monday evening, October 8. The regular work in these classes will begin the following Monday, October 15. Miss Millicent Anderson, Miss Livia Youngquist, and Miss Margaret Wilson of the Winnetka Public schools will be the instructors.

It is urged that all who are planning to enter any of the activities offered by Community House register during the coming week if possible.

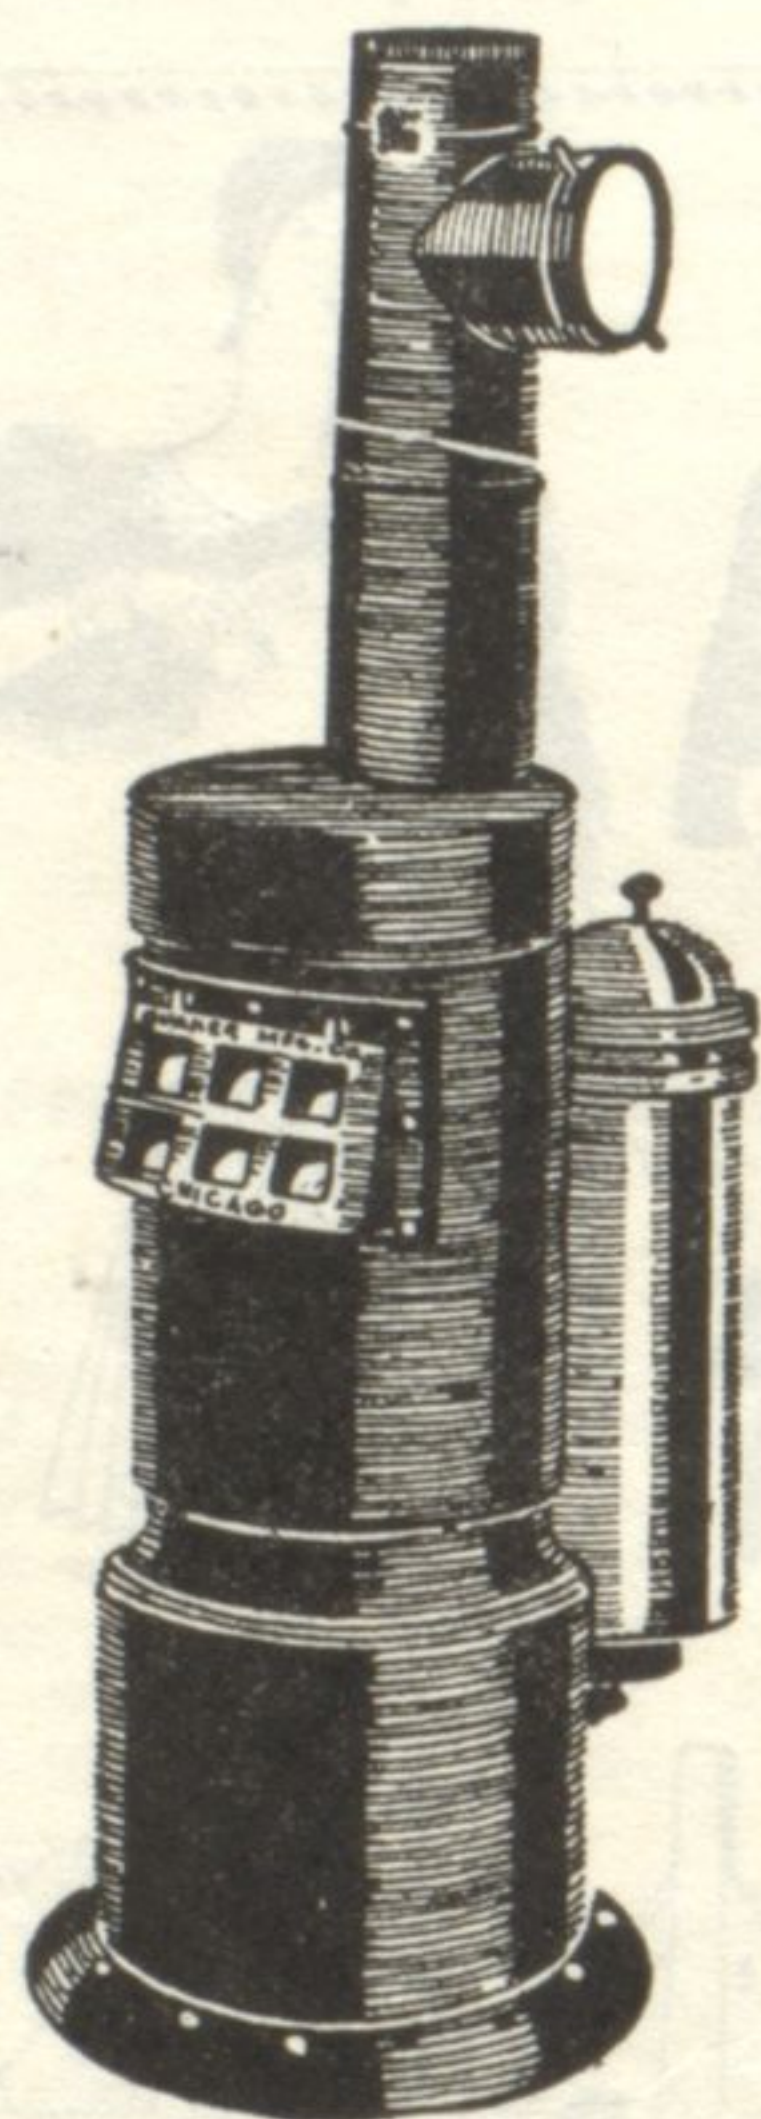

RETURN TO WINNETKA

Mr. and Mrs. E. Hubert Allen are again in their home at 1405 Edgewood lane, after a summer's absence. Mrs. Allen returned last Friday from Dorset, Vt., where she had been visiting her brother. Mr. and Mrs. Harry Allen, son and daughter-in-law of the Hubert Allen's, who have been staying in Kenilworth this summer, are now touring in the East and upon their return will take an apartment near the University of Chicago which Mr. Allen will attend.

Oil Heat - All Purposes

HERE is an entirely new method of heating for small homes, buildings, stores, filling stations, garages and wherever a coal stove can be used. It is no longer necessary to carry coal or ashes nor to be "half froze" at home or in the store. Work around your car in zero weather and know that in the morning a warm motor starts instantly.

One lighting of a fire for the winter season. Just turn on the oil and drop a lighted match into the combustion chamber. Turn the little dial to the degree of heat desired and then all you have to do for the rest of the winter is fill the tank once a day. Nothing more to it—a most simple and safe operation. Used with an outside storage tank this heater is the last word in heating convenience.

New QUAKER Heater

Extremely Economical

THE new All Purpose Quaker Oil Heater features the Quaker perfected combustion chamber making an oil heater absolutely noiseless and safer than any other known means of heating. Burning low priced furnace oil this popularly accepted heater has put new life into the word economy—it puts oil heating within the reach of everyone. There are no wicks or moving parts to get out of order.

"ALL Purpose" means just what it says—an all purpose Oil Heater that can be depended upon to give you the comforts, pleasures and conveniences in heating requirements that should be yours. Don't put it off but come in and check into the details and uses of this new heater. Comparison will more clearly show and prove the commendable features and advantages of oil heating embodied in the New All Purpose Quaker Oil Heater.
