

## KENILWORTH SPEEDS UP GYMNASIUM FUND DRIVE

### Smoothly Functioning Organization Begins Intensive Solicitation Campaign

Definite and detailed plans for the early completion of the drive for funds for Kenilworth's new memorial gymnasium were outlined Monday night of this week at a meeting of chairmen, vice-chairmen, and members of teams which are conducting the drive.

"We are organized as we have never been organized before," said Walter Botthof, chairman of the drive committee, this week. "Every single resident in the school district who has not subscribed will be solicited."

#### Plan Intensive Drive

Under the new plan of organization, Mr. Botthof, chairman of the drive, has five vice-chairmen working with him—Walter H. Andersen, John K. Byrne, James R. Starr, David Elmgren, and George I. Bell. Each of these vice-chairmen has supervision over five teams of two men each who are responsible for the thorough canvassing of certain blocks in the school district.

Those in charge of the campaign for funds expect to finish it within a month or six weeks. Of the \$60,000 needed to complete the new gymnasium, \$34,000 had been subscribed up to this week, according to Mr. Botthof. In the meantime, construction work on the gymnasium is well under way, and part of the roof has already been put on.

#### Board Shows Progress

A new bulletin board across the North Shore tracks from the Kenilworth village hall will keep residents of the village informed of the progress of the drive. The new board will be illuminated at night.

### Winnetka Football

#### Team Wins Opening Game by 35-0 Score

The Winnetka Football team gave the spectators a big dose of the brand of football that they may expect all all season, when they defeated the Chicago Cromwell's last Sunday by a score of 35-0. The visitors, due to a game the day before, were forced to meet the strong Winnetka aggregation in a crippled manner, and were not much of a threat to the local huskies.

The game started with Winnetka kicking off to the Cromwells, but the latter were held for downs and forced to punt. After battling in mid-field and exchanging punts, Winnetka got possession of the oval. An end run by Captain Martin, and a couple of line smashes by Lauer and Jackett, put the ball in a place where Martin bucked and pivoted his way to a touchdown. After scoring once more in the second quarter, the locals put their subs into the game and on the first play, Baker added the last score of the first half.

In the second half Winnetka added two more touchdowns. Coach Doepel had a good chance to see the strong and weak points of his eleven, and a strong aerial attack is promised at the team's next appearance.

For next Sunday Manager Belmont has arranged a real treat for the Winnetka followers, when the strong Evanston Boltwoods will be here. The Boltwoods have always had a strong eleven, but this year with the addition of the Oakton team to their ranks, they are sure to spell defeat to most, if not all, their opponents. The Boltwoods have played together for the past five years and they are reputed to have built up a formidable scoring machine.

The football team, through its man-

ager, E. Belmont, has asked for the support of residents of the village, who are urged to attend all games.

#### MARRIES TODAY

Miss Marian Spach, daughter of Dr. and Mrs. Amuel B. Spach of 228 Leicester road, Kenilworth, will become the bride of Paul Lee DeLargy at 6 o'clock this afternoon in the home of her parents. A reception will be held after the quiet home wedding for the guests at the ceremony. Mr. DeLargy is a member of the faculty of the University of Illinois.

#### NEED CLOTHING FOR VETS

An appeal for the war veterans at Great Lakes hospital is being made by the Kenilworth Neighbors. The veterans need warm clothing, including sweaters, overcoats, and shirts, according to the committee. The committee will call for contributions if the donor will call Kenilworth 1273 or Kenilworth 4363.

Miss Berenice Borre is acting as athletic coach in the Mallinckrodt High School Athletic association until Miss Helen E. Jans of Evanston assumes the position November 1.

Miss Clare Petersen of London, England is the guest of Mr. and Mrs. Hugh Petersen, 212 Warwick road, Kenilworth.

Mrs. W. H. Wilds, 221 Woodstock avenue, Kenilworth entertained twelve guests at a luncheon, Wednesday.

#### MOTHS

If you are having trouble with Moths, phone Glenview 34-M-1—I can rid you of them.
