

FIRE PREVENTION WEEK OCT. 7 to 13

Fire Prevention Week is held October 7-13. The advertisers on these pages are leagued against the Fire demons. They offer practical suggestions to lessen the fire hazard and urge your full co-operation.

Don't forget

"One of these days you'll forget to be careful"

CARE is a powerful defense against Fire, but only a partial one. Be careful, but, because you are human and because your own care isn't enough—*protect your possessions with insurance—sound insurance—sufficient insurance to indemnify you in case of loss.*

We write all forms of insurance in Reliable Companies.

Fire—Windstorm—Automobile—Plate Glass—Residence—Liability—Workmen's Compensation—Accidents & Health.
