**Scouts Ask Villagers
Help Pick Camp Name**

The Boy Scouts of the north shore troops are conducting an election this fall of a slightly different nature than the regular national ballot. They are striving to select from a list of many names under consideration, the most suitable name for their new Wisconsin camp to open next summer.

The North Shore Area council, Boy Scouts of America, invites all villagers to help the boys select the name which you think best. Merely detach the coupon below and mail it to WINNETKA TALK or direct to the council at 360 Central avenue, Highland Park.

BENEFIT IS SUCCESS

The Catholic Woman's fidelity of Sacred Heart church held an unusually successful benefit bridge party Thursday of last week at the school hall at Sacred Heart under the leadership of Mrs. B. T. McGovern, who is president of the society. There were seventy tables in play.

OPEN ATHLETIC FIELD

McKinlock Campus Students Dedicate \$1,500,000 Field

One thousand McKinlock campus students and Northwestern university officials dedicated a new recreational field on the downtown campus Thursday afternoon. A plot of ground valued at \$1,500,000 has been given over to the athletic program of the McKinlock men until the building program is resumed.

The field occupies one square block bounded on the north by Superior street, on the east by Lake Shore drive, on the south by Huron street and on the west by McClurg court, and covers approximately 70,000 square feet. Facilities include a gridiron, baseball diamond, three fields for playground ball, a basketball court, one for volleyball, a tennis court and two courts for horseshoe pitching. There are bleachers for the accommodation of 500 persons. The field is to be devoted to intra-murals.

Convenient to the field a white-tiled shower room has been built on the ground floor on the west side of the Montgomery Ward building.

Establishment of the field is credited to the efforts of Edward B. Davidson of Evanston, assistant business manager, who is in charge of the McKinlock campus. After the vacant property, half of which was acquired only a year ago, had been covered with cinders and rolled, Mr. Davidson saw its possibilities as a temporary athletic ground.

Faculty members as well as students of the various schools formed teams and participated in the dedicatory ceremonies with games umpired by President Walter Dill Scott.
