BILLY BOY PERSONALS This Was Pleasing

"I was visiting friends in New York City. They were enthusing about the good nuts they could buy down there. After tasting them, I told them that they didn't know what good nuts were until they had eaten nuts from the Billy Boy Nut Kitchen. Considerable conversation followed. A wager was made. Upon returning home I immediately mailed a box of Billy Boy's to my Eastern friends. They were good sports and I received a letter from them fully acknowledging that Billy Boy Nut Kitchen had the edge on them. I thoroughly enjoy sending Billy Boy's to friends," so related a Billy Boy customer.
