

### Lee Says:—

WHOEVER said that Dad DOESN'T like candy? SOMEONE usually sees TO it that mother and THE girls get their SHARE, but nobody ever GETS Dad a box of his OWN. Why not take him ONE of Liggett's pound BOXES of assorted CHOCOLATES? We'll bet IT'D be the biggest SURPRISE of his life.

## Finish the Odd Jobs quickly and economically

Summer always leaves a trail of small repair jobs—that if neglected, become annoying and costly. Put these cool days and longer evenings to good use in fixing up around your place.

### It's No Great Chore With Good Tools

You needn't be a skilled mechanic to enjoy the satisfaction in using the right tool for the job.

### Needed in Every Home

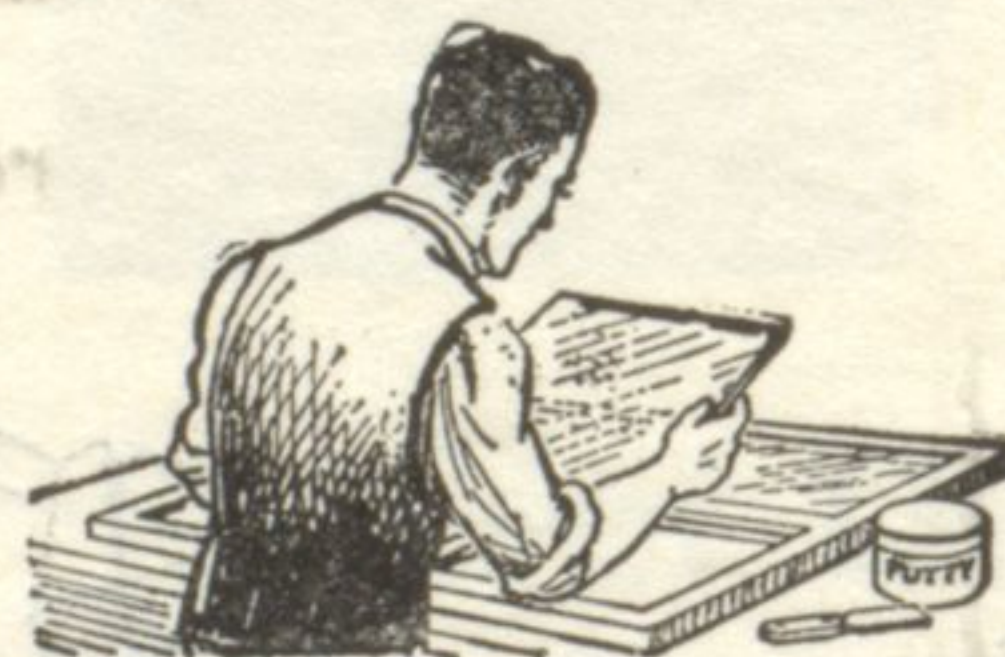

- Claw Hammers
- Mortising Chisels
- Bit Braces
- Auger Bits
- Planes
- 26-inch Saw
- Ratchet Screw Driver
- Gas Pliers
- 6-inch Pipe Wrench
- Files
- Level, 2-glass
- Zig Zag Rule

### Why Postpone Needed Roof Repairs?

It's quick and easy with Plastic Cement to fill in leaks around chimneys and seams.

Roof Coating seals small holes. Goes on like paint.

### Don't Let Fall Rains Catch You Unprepared

Replace broken or cracked windows now to keep out the cold and rain.

Single and Double Thick Glass in all standard sizes, and cut to fit.

Glazier's tacks, Putty, Putty Knives and Glass Cutters.

### Complete Fall Cleaning by Touching Up Floors and Woodwork

Prepare hardwood floors for heavy winter wear with a coat of Devoe's Shellac. For painted floors use Devoe's Floor Enamel. Popular colors.

Devoe's Varnish gives a surface to which winter soot and dust doesn't stick.
