## Fall and Winter Building

### EAST KENILWORTH LOT

The most outstanding home-site in East Kenilworth. One block away from Sheridan road and traffic. Has several beautiful flowering crab trees and hedges; on either side surrounded by beautiful homes. Lot 100x175. Considerably under the price of surrounding property.

### IDEAL HOMESITE

Fascinating spot to build your home. Within 2 1/2 blocks to Hubbard Woods station, stores, 1 block to school; on quiet street of artistic homes; large trees; abundance of shrubbery; highly restricted section; size 50x150 at low price of \$150 per ft., part cash. Only lot of its kind for sale. See today!

If you are planning to build a home this fall, it would be well to select a site at once.

This is the rush season, when hundreds of other home-planners are thinking about the house they will move into next spring. They are always combing the North Shore for the best available sites.

You can view the property situation at once on the charts in our offices. We are equipped to analyze the problem thoroughly, from the data made available through a broad organization and 44 years' experience in this district. The vacant property under our exclusive control includes many of the most desirable sites to be found.

*Let us show you some of the best sites on the market. We will be glad to drive you around on a tour of inspection at any time.*
