

Cream of Bowman Players Defeat Triangle Club

The indoor base ball team of the Winnetka Triangle club lost its first game of the season Wednesday evening by a score of 9 to 3, when the choicest aggregation of the Bowman Dairy players came to Winnetka to meet the husky Triangle bunch.

"But what could you expect?" "Sparkey" wants to know, "when they send the cream of their players against ours, which are only beginners?"

The Triangles are proud of their score of 3 and promise to make a far better showing a little later in the season.

The club also has four bowling teams which are said to be rapidly shaping into championship form.

The card party which the club announced it would hold at Community House Thursday evening, October 25, has been postponed until November 7.
