

### Women Voters' News

The November meeting of the Winnetka League of Women Voters, which will be held Monday, November 12, will be in honor of the new members who have joined the League during the recent drive. The "Know Your Precinct" idea will also be a feature of the meeting. Those attending the luncheon will be seated at their own precinct tables, over which the League precinct chairmen will preside as hostesses at their respective tables. In view of the fact that the precinct numbers have recently been changed and in some cases redistricted, the league presents the precinct map of Winnetka, which may be used as a guide to voters and to those attending the meeting of the league.

The program for the luncheon will be under the direction of the education committee, of which Mrs. Benjamin Pfeiffer is chairman. The speakers will be Floyd Goodyear, superintendent of schools, Chicago Heights, and Mrs. Maurice Lieber.

The league will check the voters at the polls on election day. This work is in charge of Mrs. Ira Keller and the league precinct chairmen. The league checkers will co-operate with all partisan groups in furnishing them with the names of voters.

The league membership drive with Mrs. Dudley K. French as chairman closed Saturday of last week. All during the past week memberships, both new and renewals, have been coming in so thick and fast that the leaders in league work believe that the results of past years will be surpassed. The results of the campaign and the prize winners in the local contest will be announced at the November luncheon.

Mrs. R. S. Childs, chairman of the Sanitary District Affairs committee of the Council of Cook County Leagues of Women Voters, spoke over radio station WCFL last Tuesday on the subject, "The Importance of the Sanitary District." This was part of the regular radio program conducted by the Illinois League of Women Voters. The radio program is published from month to month in the Bulletin.

The Illinois League of Women Voters—believing that the great experiment of democracy is undergoing its searching test in the United States of America.

That if we make democracy a success we need fear neither reaction nor social revolution:

That in order to make it succeed, citizens must use their votes and use them intelligently:

And believing that, in view of these facts, the addition of over 20,000,000 women to the electorate is of enormous potential value to the country, because:

1. They are conscious of ignorance and anxious to learn, and
2. They have so far no political habits and are therefore capable of acquiring good ones:

The League of Women Voters has been organized for the purpose of developing these new voters into a force for good government.

—The Bulletin of the Illinois League of Women Voters.

#### GIVES RADIO TALK

Benjamin Buck, 544 Greenwood avenue, Glencoe, assistant superintendent of Chicago schools, spoke on adult education over the air at a radio program Wednesday, October 31, at 4:45 o'clock, which the principals' club sponsors each week.

### Remove Unsightly Posts, Help the Needy, Is Plea

Edgar Crilly, of 375 Sheridan road, has a novel plan for adding to the beauty of the village and at the same time helping the needy. In a letter addressed to Fred Sargent, president of the Chicago and North Western railway, recently he suggests that the unsightly posts along both sides of the North Western right of way in Winnetka which once supported fences be removed and turned over to the poor for fuel this winter. Mr. Crilly recommends that the improvement be made from Winnetka avenue on the south to Tower road on the north.

Mr. and Mrs. Herman Bartholomay, 631 Blackthorn road, left last Tuesday for Rochester, N. Y., to attend the golden wedding festivities of Mr. and Mrs. Edwin Bausch. They returned home yesterday.

### Football Team to End Season With a Dance

The Winnetka Football team, which has been making such a splendid record in scoring touchdowns this season, announces that another big event is in store for local fandom, when the team promises to make a still better score, Thursday evening November 22, this time at Community House, at 9 o'clock.

This is the date of the annual football dance. Russ Lundquist and his orchestra have been engaged, the ticket selling is in full swing and the local fans are being urged to turn out and lend their support, just as they have in a most appreciable manner at the games every Sunday.

Mrs. George Chatterton left Thursday for her home in Springfield after visiting her daughter, Mrs. Henry A. Yates, 96 Church road.
