

New Trier Meets Strong Oak Park Eleven Saturday

New Trier's football teams journey to Oak Park, next Saturday, for the first time in five years. The Frosh-Soph game will be a preliminary struggle and then comes what is bound to be one of the tightest games played in the Suburban league this season.

New Trier's record is the better, as the township players have won every game but the one with Lindblom, which they tied; while the team from the world's largest village has lost three games and won two. Oak Park, however, put up a close fight against each of its conquerors, and has improved a great deal since the first of the season. Oak Park's line is considerably stronger since Capt. Husky got back at center last week; but New Trier will have another strong battering ram in Tom Hicks, who has recovered from the charley-horse that kept him out of the last three games.

Oak Park started the season by losing to Austin High, 12 to 0, for the first time in seventeen years. Then Bowen administered a decisive licking. Oak Park's two victories were over Morton, 19 to 0, and Moline, 27 to 0.

Oak Park showed its best form at Evanston last Saturday. The strong Evanston team was able to put over only one touchdown and the try for extra point was blocked. Oak Park has not allowed an opponent to gain a single point after touchdown this season.

Another interesting fact is that in every Oak Park game this year the score of one side has been zero. Will this hold good next Saturday and if it does who will have the 0?

"Indiana" Provides Upset in Intra-Mural Football

"Indiana," which had never won a game before, surprised "Illinois," last week, by beating the latter, 6 to 0. "Illinois" is "Chicago's" closest rival for the heavyweight intra-mural football championship at New Trier and "Indiana's" victory cinches the medals for Mr. Funkhauser's team.

The "Chicagoans" can't fail to lose the medal unless they lose all the rest of their games and "Illinois" wins all of its encounters. This is not very likely to happen as "Chicago" has won every game but one and "Illinois" has lost two and tied two. "Purdue" and "Indiana" are still at the bottom of the league with "Indiana" in the cellar and the "Boilermakers" on the stairs.

"Army" and "Harvard" are both counting on the medals in the light-weight division. The "Army" is ahead now, with three victories, a defeat and a tie. "Harvard" is close behind with the same number of victories and two losses. "Navy" is third in line, having won two games, lost two and tied one. "Yale," the only intra-mural team which has not yet won a game is at the bottom of the ladder. "Yale" has not been defeated every time though, for it has two ties to its credit.

Douglas Crooks to Attend Induction of Fraternity

Douglas Crooks, acting postmaster at Kenilworth, will spend this week-end at Knox college, Galesburg, where he will take part in the induction ceremony of his fraternity, Alpha Theta Alpha, which has recently been voted a charter in Phi Sigma Kappa, an old established national fraternity. Mr. Crooks is president of the alumni association of his fraternity. Charles Howe, Jr., of 240 Kenilworth avenue, Kenilworth, sophomore football star at Knox, will become a member of Phi Sigma Kappa, and his father, Charles Howe, Sr., will be taken in as an honorary member.
