

Smoke Screen From Fire on Street Causes Crash

Smoke from burning leaves was responsible for a serious automobile accident which occurred about 4 o'clock last Saturday afternoon in front of 656 Lincoln avenue, and in which Mrs. John V. Guthrie, of 730 Walden road was painfully injured.

According to the report of Officer Charles Bemus the Guthrie car was parked at the curb where it was struck by a car driven by Harold Ettinghausen, whose vision was obscured by the smoke from burning leaves near by. The front of both cars were crushed. Mrs Guthrie was severely cut about the face and was removed to the residence of S. O. Rice, in front of whose place the accident occurred, where her injuries were dressed by Dr. Frederick Christopher.

State W. C. T. U. Gives Endorsement to G. O. P. and Raps Al Smith

Emphatic endorsement of Herbert Hoover's candidacy for president of the United States, a deriding of the statements on the liquor question made by Gov. Alfred E. Smith in course of his campaign, and a message of sympathy and appreciation sent to Mrs. Mabel Willebrandt, were high points in the proceedings of the state organization of the W. C. T. U. during its annual convention sessions in Evanston last week.

The 250 delegates, meeting at the First Methodist church, denounced Gov. Smith's views on prohibition, the national president, Mrs. Ella A. Boole, making a vigorous speech refuting his claims.

During the convention sessions there was selection of the Illinois delegation to the annual convention of the national organization to be held in Boston Nov. 14 to 22. The delegation expects to participate at that time in a tremendous celebration for prohibition victory after election.

Miss Helen L. Hood of Evanston was re-elected president of the state organization, and Miss Epha Marshall

of Evanston was re-elected corresponding secretary. Mrs. Etta Root Edwards of Pinckneyville was elected vice president, Mrs. M. D. Rosenthal of Freeport, recording secretary, and Mrs. L. Belle Goodman of Champaign was made treasurer.
