

BARRINGTON

may be just what
you're looking for!

SPECIAL OFFERING

We really have the most beautiful piece of scenic acreage in this district. A natural park for sale at an exceedingly low price, considerably under surrounding values. Can deliver 20 acres or more. Woods, hills, water-courses. Double road frontage on quiet highway. Convenient to concrete and good transportation. A wonderful opportunity for small or large estate; also suitable for subdivision. Easy terms.

If you have always liked the country, yet are held to the city by the demands of business

If you like congenial neighbors, and frank, good fellowship that is nurtured by out-of-door sports

If you have children whose presence in the vicinity of crowded highways is a constant source of worry

If the wish to get out into the open spaces is only a vague, unspoken longing that you've never dared to encourage

Take a trip to Barrington your next day off and see if a home in this delightful section would not fulfill your ideals of real living.

Barrington is only 44 minutes by rail from the city . . . a country community that offers exceptional advantages. Quinlan & Tyson sell land there as on the North Shore, and at prices that allow a good prospect of profit.

See one of our representatives and ask about Barrington. We will gladly give you full information, or drive you out to look it over.
