

OF INTEREST TO EVANSTON PEOPLE

Residents of Evanston appreciate more and more the opportunity of investing in First Mortgage Real Estate Bonds made and sold by this organization and secured by income-producing Evanston property.

Real Estate values are readily visible here in Evanston. It is possible for you to know definitely the amount of security back of each bond issue. In addition to this, there is the attractive interest rate of $6\frac{1}{2}\%$.

This generous interest yield, with an unfluctuating market, enables you to build your estate more quickly and with greater degree of safety.

*We shall be pleased to
send you folders of our
recent issues.*
