The Graf Zeppelin Owners Approved this China...

The same China that graced the tables of the great air liner on its memorable first trans-oceanic flight, can now grace your more circumspect, if not less charming table! Hartman's offer you this exquisite European ware, in the same pattern as that used on the great air craft, in a set of 100 pieces, including complete service for 12, for only \$64.75.

English Bone China Service Plates
