

Kenilworth Grid Team Splits in Wilmette Games

The Joseph Sears school of Kenilworth finished the season in the North Shore Grammar School Football league last week by dividing a double-header with teams representing Wilmette. After a poor showing early in the season the Kenilworth heavyweight team (boys under 100 pounds) hit its stride and last week defeated Wilmette again, this time by a 9 to 0

score. The victory was more impressive in view of the fact that Wilmette has won from the Boltwood and Haven schools in Evanston. The Joseph Sears lightweights (boys under 85 pounds) lost to Wilmette, 6 to 0.

With the closing of the grammar school league season, interest centered on the football meet which was to be held at Joseph Sears field this Saturday morning. The following events were to be run off: 75-yard dash with football equipment on; punt for distance; drop kick for distance; drop kick for goal; forward pass for distance, and forward pass for accuracy.

Fluffy blankets

Our method of laundering
them prevents shrinkage

SEND us your blankets—even your oldest ones. They will be returned exactly the same in shape and size.

First, they are washed—gently soused, without pounding or rubbing, in pure suds, then rinsed in floods of soft, crystal-clear water.

All suds and rinses are kept at proper temperatures—there can be no shrinking or hardening—and there is no fading of colors.

Ask the Washington Laundry man in your neighborhood about our method of laundering blankets.

Phone Wilmette 145

Boys will compete in four divisions—midgets, under 75 pounds; lightweights, under 85 pounds; middleweights, under 100 pounds, and heavyweights, over 100 pounds.

Plans are under way for a big football banquet on November 30 which will close the season officially. At this banquet the annual awarding of football medals will take place.

Watson Lectures on Art Attract Wide Attention

The popularity of the lectures given by Dudley Crafts Watson at the Community House in Winnetka under the auspices of the North Shore Art League was again proven last Monday evening. A group of three hundred people waited for thirty minutes after the time scheduled for the lecture. Mr. Watson's able handling of his subject, "The Art and Life of Northern Africa" more than repaid his listeners for their patience.

Mr. Watson's next lecture will be given Monday evening, November 19, and his subject is to be "Modern Architecture." Single tickets may be procured at the door for each of these lectures for those who did not procure the books for the course.

Phebe Hedrick, 304 Melrose avenue, Kenilworth, is going to Madison, Wis for this weekend with Catherine Morrisey who was a Pi Phi at Madison last year but a student at the Art institute this year. The girls are attending the Wisconsin-Chicago footgame game.

New Trier to Meet Deerfield Football Team This Saturday

The New Trier High school football team will journey to Highland Park this Saturday, November 10, determined to add Deerfield High school to its string of defeated victims this year.

New Trier has an impressive record thus far this season. All of its games, with the exception of the tie game with Waukegan, have been won by decisive scores.

Deerfield's record is not so impressive, but the team has shown strength in recent games. Last Saturday Deerfield held the undefeated Evanston High school team to a 2 to 0 victory. New Trier is probably Deerfield's greatest rival, and a battle royal is expected.

Last year New Trier sent the Deerfield boys home on the short end of a 19 to 6 score. In 1926 New Trier lost to the Highland Park school 20 to 0.

Coach Ashenbach announced this week that the starting lineup for New Trier probably would be the same as in the Oak Park game. Tom Hicks, halfback, who got into last Saturday's game after being laid up all season and ran 60 yards for a touchdown on the first play, injured his knee and may be unable to play against Deerfield.

If New Trier can defeat Deerfield Saturday, it will have only two obstacles in the way of an undefeated record—Streator and Evanston. Streator is comparatively weak while Evanston is not only strong but an old rival of New Trier. Evanston is undefeated thus far this season.

Mrs. John C. Carpenter, 239 Essex road, Kenilworth, entertained a few friends at luncheon yesterday.

Advance Styles

direct from New York and Paris distinguish the new Arch Preserver Shoes, which give you, in their smarter guise, the foot-free vitality and poise for which the wearers of this shoe are noted.
