Posters Announce Sale to Benefit Nursery School

Attractive posters are announcing a benefit sale to be held at 1615 Benson avenue, Evanston, on Tuesday, November 20, and Wednesday, November 27, for the the Mary Crane Nursery school at Hull House.

Mrs. George M. Groves, president of the Mary Crane Nursery school auxiliary which is conducting this sale, opens her home at 415 Davis street, Evanston, every Monday afternoon for a work shop for this group. The present work is for the sale which will combine a department of lovely new articles, including a supply of dolls' wearing apparel, and one for antiques and White Elephants.

The very words—"White Elephants"—rouse one's curiosity. We are anxious to see what our neighbors are discarding. We contribute an elephant and buy an elephant and everyone is happy.

Best of all, the proceeds from this interesting bargaining will mean assistance for the splendid work for mothers and children at Mary Crane Nursery school at Hull house.

NEW TRIER WHIPS OAK PARK BY 19-0 SCORE

Jinx Broken as North Shore Boys Trim West Siders for First Time

New Trier High school's powerful football eleven kept its record clean last Saturday and in doing so decisively defeated a team that had never before lost to the Gray and Green warriors. Oak Park was the victim by a 19 to 0 score.

Last Saturday's victory over Oak Park was the fourth for New Trier this year, and marks Coach Ashenbach's proteges as one of the strongest football teams in the Chicago area. The team's victories this year have been decisive. Lake View fell, 26 to 0; Waukegan and Oak Park succumbed by 19 to 0 scores; Kenosha was smothered 39 to 7. Only one team, Lindblom of Chicago, succeeded in holding New Trier. The score was 6 to 6.

New Trier scored in every quarter of the game with Oak Park last Saturday except the first, which was devoted chiefly to an exchange of punts between Nelson of New Trier and Lovett of Oak Park. New Trier's attempted passes were unsuccessful in this quarter. The second quarter told a different story, for Tom Hicks, who had been sent in for Benny Richards after being laid up with injuries most of the season, grabbed a pass from Nelson on the 50-yard line and raced across the goal line. At the half the score stood—New Trier 6, Oak Park 0.

After working the ball down to their opponents' 5-yard line in the third quarter by plunging and passing, New Trier fumbled and had to start over again. Hunter Hicks returned a punt to Oak Park's 25-yard line, where Nelson threw him a pass. Hicks was thrown out of bounds one yard from the goal, but Al Richards plunged through center for a second New Trier touchdown, making the score 12 to 0 for the north shore boys at the end of the third quarter.

More passes featured the fourth quarter play and New Trier was able to score another touchdown. Rossiter kicked goal, and the scoring ended with New Trier ahead 19 to 0. Oak Park's last quarter aerial attack was futile.

The kicking, running, and defensive work of Lovett, Oak Park quarterback, made him the outstanding player on the west suburban high school team. Tom Hicks and "Morry" Nelson did excellent work for New Trier, although the whole New Trier team was functioning well.

The lineup and summary:
