

CLEANLINESS in your home —means HEALTH

Burning a clean fuel, you and your neighbors are more healthy. With no smoke and no soot coming up through the house, you breathe cleaner and fresher air.

Chicago Solvay Coke is clean fuel

Impurities are eliminated from Chicago Solvay Coke. Every ton gives a full measure of clean, healthy heat. Your home is comfortably heated — fewer ashes for you to handle.

Keep your home clean and healthy by burning this modern, manufactured fuel. Ask your fuel dealer to tell you the proper size for your heating plant. A Solvay Service Man will help you burn it economically.
