Leaders in the League of Women Voters will go to Moline Monday for the eighth annual state convention to be held November 12 to 15. The Rock Island county league will be hostesses to the convention. The program will deal largely with public affairs and the preparation of League members for active participation. The convention dinner will be held Tuesday evening with Mrs. William G. Hibbard presiding. The speakers will be Charles P. Taft of Cincinnati, whose subject will be "The New Political Conscience." Miss Bertha Bidwell, state president, will also speak. On Wednesday there will be a gala luncheon, at which Mrs. Roscoe Anderson of St. Louis, a national vice-president, will be the speaker. At this meeting the prizes won by local leagues in a state-wide membership campaign will be awarded to the winners by Mrs. John Van der Vries, state membership chairman. Wednesday afternoon will be devoted entirely to organization matters with Mrs. Van der Vries presiding. Among those taking part in the discussion will be Mrs. A. M. Ferry, Mrs. Walter Benson, and Mrs. Shelby Singleton of Wilmette.

Wednesday evening M. V. O'Shea, professor of education at the University of Wisconsin, will speak on "What Should a State School System Be?" The entire evening will be devoted to public schools. Mrs. William Dow Harvey of Macomb, formerly of Winnetka, and state chairman of education for the league, will preside.

Thursday morning Mrs. Walter Benson, state treasurer, will preside over a finance session.

The legislative program of the league will be discussed at nearly every session. Those attending from Winnetka will be Mrs. A. M. Ferry, Mrs. R. C. McNamara, and Mrs. Ernest P. Bartlett as official delegates of the Winnetka league. Other delegates are Mrs. William G. Hibbard, Mrs. Walter L. Benson, Mrs. E. W. Morehouse, Mrs. John Van der Vries, Mrs. A. J. Boynton, Mrs. Carlton Prouty, and Mrs. A. Homer Goodhue.

Any member wishing to go to Moline may have delegate credentials by calling Mrs. Ferry, Winnetka 716.

The Winnetka League of Women Voters has engaged Will Durant, author of "The Story of Philosophy," for a lecture on the evening of Friday, December 7, at the Skokie school auditorium. Mr. Durant draws large crowds to his lectures, and the league is certain that many people in Winnetka, Kenilworth, and Glencoe will welcome this opportunity to hear him. The proceeds of the lecture will be used for league work. The heavy expenses of the election just passed and those incidental to the coming session of the legislature make it necessary for the league to increase its income beyond that brought in by the membership dues. Mrs. Randolph Buck will be in charge of the ticket sale and will announce the members of her committee at an early date.

League workers were very active last Tuesday in their capacity of checkers at the polls and assisted the partisan groups by furnishing them with the lists of voters. The following workers served in the different precincts:

# Help Us to Give Good Service

IT would doubtless surprise most telephone users to learn that the Illinois Bell Telephone Company is obliged to repair hundreds of telephones every year which are put out of order by being dropped.

Of course, the repairs are made promptly no matter what happens, but the user is necessarily deprived of his service for at least a short time when such an accident occurs and this might be the time when the telephone would be most needed. It is therefore in the subscriber's own interest that we suggest that care be taken not to damage the instrument.

Windows left open in summer, admitting a sudden rain storm, are also responsible for a great many cases of trouble. Occasionally a bottle of ink or a glass of water is overturned, wetting the telephone cord, and this also causes trouble.

Subscribers will aid us in giving them the best service by taking good care of the equipment.
