The Spirit of Service

SERVICE is a great word. Great in its simplicity. Constant and careless use of the word has somewhat clouded its true meaning.

Service—at the Winnetka Trust and Savings Bank — means the capacity and desire to co-operate with customers. It means that we are able and willing to join our resources and experience with yours —for mutual benefit.

That is our idea of the Spirit of Service. If it's yours, too—we'd like to have you come in.

Banking Hours: 8 to 3; Saturdays 8 to 12:30

Provide Bright Spots For Winter

Now is an excellent time to plant these varieties. You'll find our methods and experience in fall planting highly satisfactory.
