Winnetka Football Team Adds Another Scalp—Score 12-0

The Winnetka football team went through last Sunday's game displaying the fine brand of football that has been evident all year, and won a decisive victory over the Rainbow A. C.'s by the score of 12-0.

Marvin Baker played a stellar game, and was responsible for the local's first touchdown on a pass from Martin over the end zone. The visitors made several threats to score in the second period, but always lacked the final punch to push the oval across the goal line. Affeldt played his usual strong game at left half, and one time broke loose for a run of 60 yards, only to be called back by the referee because one of his team mates had clipped an opponent. However, this did not dishearten Affeldt, for a few moments later he was given the ball on the five yard line and plunged over for the second and last score. Martin missed both of the kicks for the extra points.

Tomorrow the locals have engaged the Chicago A. B. A.'s as their opponents and a real game is promised. The visitors come out here with the reputation that they practice against the Chicago Cardinals, and the local coaches have worked hard this week getting their men in the peak of condition. All games are scheduled to start at the Skokie field at 2:30 p. m.
