With the solid white gold mountings now so favored

New scientific advancements in eyeglass design have now produced rimless styles, unobtrusive and of graceful simplicity, that conform to facial contour.

Three advanced styles are now offered—the Leafshape, the Puritan, and the Colonial. These are favorites with men and women who value good appearance.

See if you will not prefer these inconspicuous styles. Inspect them at any Almer Coe Store.

Lake Forest Couple Seriously Injured in Motor Collision

Mr. and Mrs. Stuart Templeton, Lake Forest society leaders, have been confined to the Evanston hospital this week as a result of injuries suffered in an automobile accident at the corner of Hibbard and Happ roads, west of Wilmette, last Saturday afternoon. Their car, driven south on Hibbard road, was struck by another car going west on Happ road. Glen W. Cassley, of Zion, Ill. driver of the second car, was not held.

The Templeton car was overturned and both Mr. and Mrs. Templeton pinned underneath. Mrs. Templeton was picked up unconscious after the crash and with her husband was rushed to the hospital. She suffered a fractured hip, a broken leg, and internal injuries. Mr. Templeton received a long gash on his forehead and other lacerations and bruises, but is expected to be out of the hospital by the end of this week.

The Templetons live at 1388 N. Green street, Lake Forest. Mr. Templeton is a member of the law firm of Wilson, McIlvane, Hale and Templeton, of Chicago.

Red Cross Roll Call Gets Excellent Start

The most successful Roll Call in the history of the Red Cross was launched last Sunday by women from all parts of the country. Early returns showed the country is readily responding to the call of the Red Cross and well realizes its necessity.

Mrs. Willoughby G. Walling is in charge of the Winnetka campaign.

More than \$1,000,000,000 was spent in improving highways of the United States last year.
