**Huge Price Slash by Dodge Company; Cuts \$150 to \$250**

Big price reductions on all Dodge Brothers' Standard and Victory Six models are now in effect, according to W. T. Wersted, Winnetka Dodge dealer. The Senior Six line is not affected in this price slashing.

The reductions follow: Standard Six de luxe sedan, \$175; sedan, \$165; coupe, \$150; cabriolet, \$170; sport cabriolet, \$175; Victory Six, four passenger coupe, \$225; sport sedan, \$250; de luxe sedan, \$225; sport roadster, \$250; sedan, \$200; coupe, \$200.

"Announcement of the lowered prices is accompanied by the statement that the cut is the result of better manufacturing facilities at the factory, closer supervision and rearrangement of production operations, resulting in savings being reflected in the offering of the cars to the public," says Mr. Wersted.

**"White Streak" to Show Correct Way of Driving a Car**

Cooperating with the National Safety movement throughout the United States, the Chandler-Cleveland Motors Corporation are introducing a new idea which will, no doubt, tend to emphasize in a forcible manner safe, sane and courteous driving practices on the highways of many of the cities of the United States and Canada, according to Tom Hay of Tom Hay and Son, Evanston Chandler dealer.

"Most everyone will agree that the majority of motorists have good intentions when it comes to their driving habits on the road, but due to haste and unexpected circumstances, they many times, forget to practice what their better judgment has always advocated," says Mr. Hay.

"Due to this laxness on the part of many drivers, Chandler officials hit upon the idea of sponsoring the "White Streak," a Chandler Royal "75" Eight Sedan, finished entirely in a snow white, to remind the motoring public, through the cooperation of distributors and dealers, of what constitutes correct driving practices. This car will be run constantly on the streets of hundreds of the most important cities throughout the country, stressing the numerous points of careful driving and courtesy on the road.

"Everyone who owns a car will admit there is a right way and a wrong way to drive in traffic, to stop and park, to pass street cars, etc. There are also hundreds of little courtesies of the road, which if practiced, would make driving a car afford even a greater degree of pleasure than it does right now. The driver of the "White Streak" is, in each case, under the jurisdiction of the local Chandler dealer.
