

CREATE NEW RANKS AND INCREASE POLICE PAY

Village Council Creates New Offices of Captain and Lieutenant on Department

An ordinance providing for a reclassification of the officials of the Winnetka Police department and also carrying with it a substantial increase for every member in the service, with the exception of motorcycle officers, was passed by the Village council Tuesday evening. The new order will become effective December 1.

The salary of Chief of Police W. M. Peterson is increased from \$300 a month to \$350 a month.

Sergeant Harry Enault is promoted to the rank of captain, with an increase in pay from \$200 to \$240 a month.

Increase All Along Line

Sergeant Glen Boyd is promoted to the rank of lieutenant, with increase in pay from \$195 to \$225 a month.

Sergeant Ed Cummings is promoted to rank of first sergeant, and his pay increased from \$190 to \$210 a month.

A second sergeant is to be appointed from the ranks of the patrolmen, whose salary will be \$200 a month. An examination in which all patrolmen may participate is being held today for this office.

The salary of the relief officer is advanced from \$190 to \$195 per month, the salaries of all other patrolmen being advanced from \$180 to \$185.

In the case of the two motorcycle officers, whose pay has been \$190, a reduction of \$5 a month is made, placing them on the same basis with the patrolmen.

The salary of Mrs. G. M. Thurston,

police woman, is increased from \$90 to \$92.50 per month.

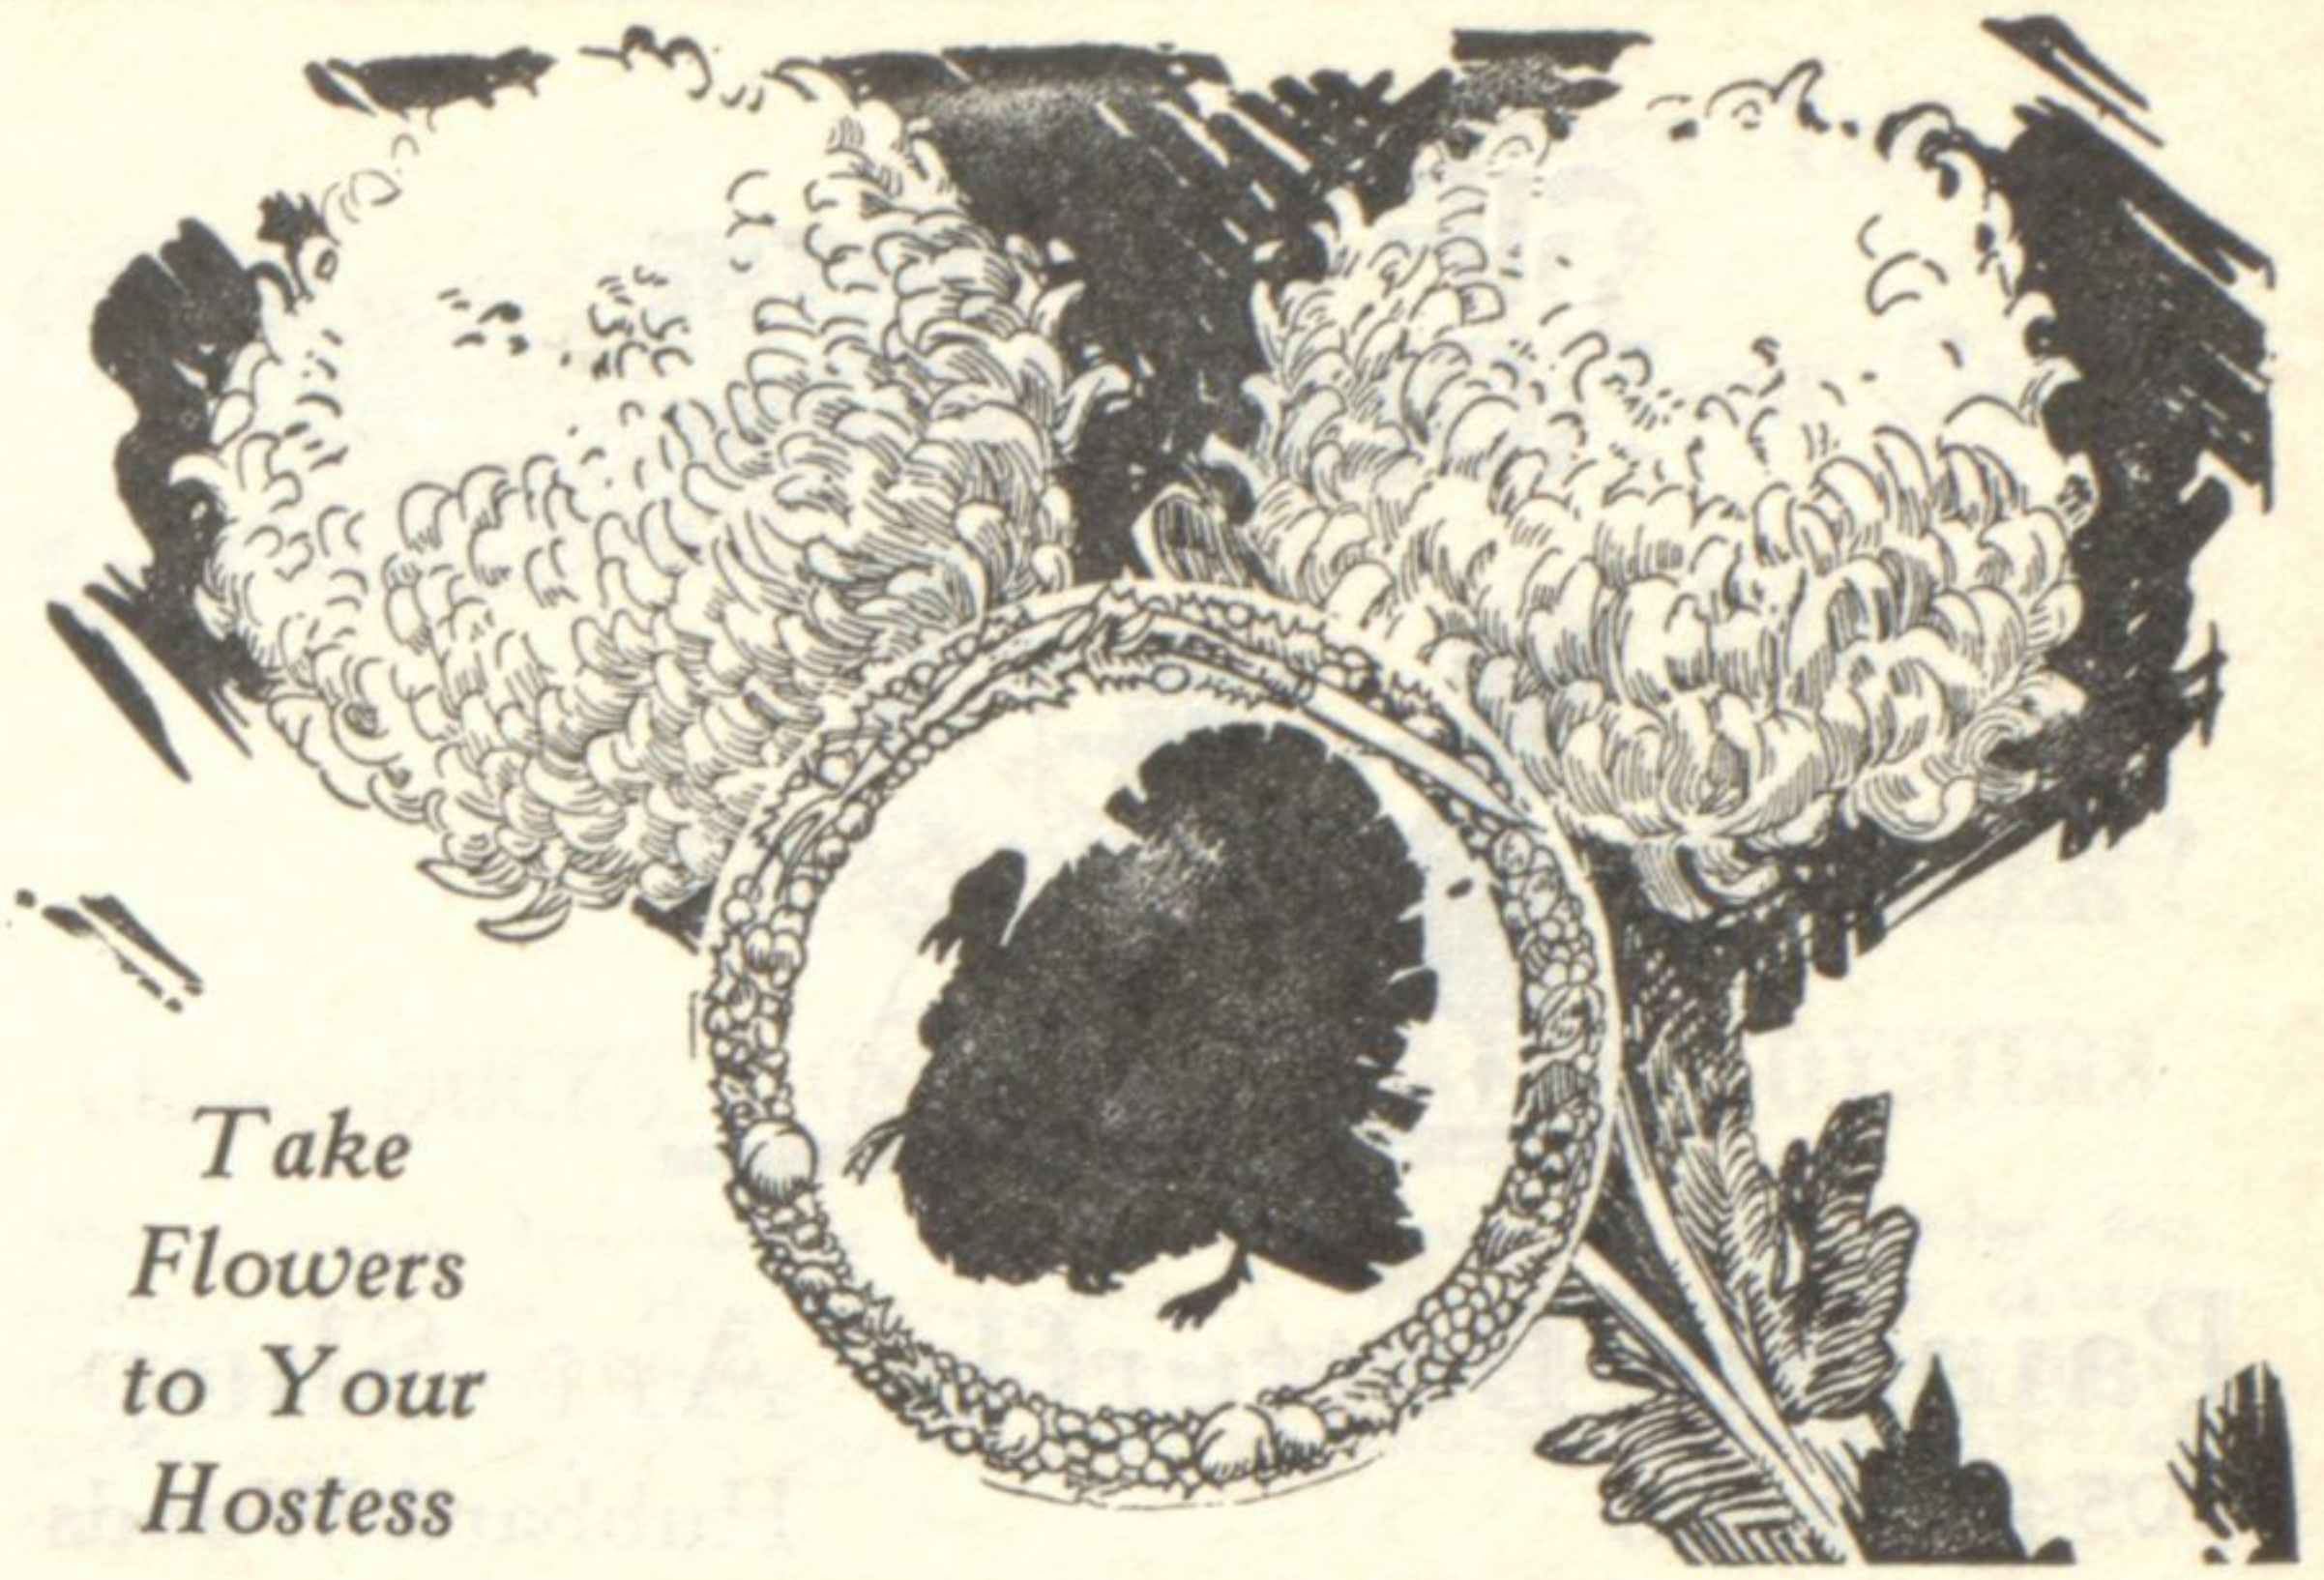

The total payroll for the month heretofore has been \$3,165. The new total will be 3,362.50, an increase of \$197.50.

This advance, it was announced places Winnetka on a higher salary scale than its neighboring villages and near that of Evanston. Considering the aid given the department by the Village in the matter of buying uniforms, and the police pension plan, the pay of members of the department is higher than that of any north shore community.

In a discussion of the ordinance prior to its passage, President Henry F. Tenny complimented the department in general and added that it is the object of the council to make each man feel that his position is a desirable one, that his services are appreciated, and to encourage him to put forth his best efforts in the performance of his duties.

Cong'l Church Arranges Harvest Home Services

Next Sunday, November 25, will be Harvest Home Sunday at the Winnetka Congregational church. Each year it is the custom for the members of the church school to bring gifts of food when they come to Sunday school. These things are then taken to others less fortunate. This year they are to be taken to the Home for Crippled Children at 1653 Maypole street, Chicago. Canned fruits and vegetables, jellies, jams and any fresh fruits or vegetables are asked for as suitable gifts. It is also asked that wherever possible the gifts be brought to the church between 1 and 5 o'clock on Saturday afternoon or, if not then, to the Sunday school service the next morning.
