Triangle Club Bowlers Seeking N. S. Matches

The bowlers comprising the four teams of the Winnetka Triangle club are getting so good that they have challenged any north shore team to meet them, the match to be bowled on any north shore alley at any convenient date which may be arranged. The Triangle bowlers will select a team for this game from its four team membership.

Their record at indoor baseball is not so good, however, as that at bowling. They took up indoor baseball only recently and their tally sheet, so far, shows only a chain of defeats.

The latest one was Wednesday evening when S. Fell's team from Highland Park defeated them 14 to 9.

The score was tied one to one, at the end of the fourth inning, when, with three opponents on bases, "Chick" McFadzean, from right field, heaved a wild throw to home, on which the three runners scored, giving the visitors a lead that the Triangles were never able to overcome.

THANKSGIVING VACATION

Thanksgiving exercises will be held at North Shore Country Day school next Wednesday morning at 2 o'clock, in the school auditorium.

Mrs. Edward Rogers, 375 Chestnut street, gave a luncheon and bridge last Tuesday afternoon in honor of Mrs. David MacFarland of New York who is visiting in Evanston.

these, reached by a massive log stairway, is a sizable room for cots and sleeping quarters.

A large porch is being constructed on the south end of the cabin and over it will be another large room sufficient for a dozen or more cots.

An excellent well supplies an abundance of water, while Dame Nature has landscaped not only the five-acre tract on which the cabin is located but a vast area surrounding it, in a most appropriate wild, woodsy fashion, which will not only appeal to the fancy of youthful hikers and campers, but to the older ones who seek a quiet, restful day in the woods.

The Izaak Walton league raised the money to purchase the land. League members, Rotarians and Winnetkans in general, have been active in sponsoring the movement. Members of both these societies have also given freely of expert service as well as supplying material at cost.

The work has been in charge of a committee of which Dr. J. O. Ely is chairman. Other members are E. A. Anderson, William Elliott, Dr. J. W. F. Davies, Percival Hunter and L. L. Buchanan.

Mr. and Mrs. H. K. Urion, 989 Cherry street, have as their guests this week-end Mrs. Urion's brother and sister-in-law, Mr. and Mrs. Richard Paul of Boston. Mr. and Mrs. Paul came on to attend the Dartmouth game.
