### Frederick E. Clerk Writes on Studies in Europe's Schools

Miss Elizabeth E. Packer, acting principal of New Trier High school, has received several letters from Supt. Frederick E. Clerk, who is on a six months' tour of Europe studying secondary education. Following is an excerpt from one of Mr. Clerk's recent letters:

"I will bunch all my German visits except Trier. That I will make about December 15. I will stay at the Hotel Porta Nigra. Isn't that interesting?"

"I have done about all I can in Switzerland so I leave here with Mrs. Clerk November 9 for Paris. I will spend about a week there at the Ministry of Education and visiting schools. From there we will go to London to see Miss Bell and the schools there. From England we will cross to Brussels where I will take in the De Croly School and the Ministry of Education. From Brussels we will make a pilgrimage to Trier where we will pay homage to the Porta Nigra and try to get a good picture of it. From thence we will return to Geneva for the holidays which will be spent after Christmas Day in the mountains at Grindelwald where they have winter sports. After the holidays I will make my tour of schools in Austria, Czechoslovakia and Germany. I ought to have a book full by that time.

"Tell Ash that the New Trier delegation in Geneva gave three long yeaahs! for the team when we learned the Waukegan score and a Swiss cop wanted to know what it was all about. Imagine telling him in French!"

### Winifred Ward Directs Skokie Children's Play

On Wednesday afternoon, December 12, the children of Winnetka will have the opportunity of seeing at the Skokie school, a real play for children.

Under the direction of Miss Winifred Ward of the Northwestern university School of Speech, the Children's theater of Evanston will present "The Wizard of Oz" with a cast composed of both children and adults. This play is similar in type to those presented here so successfully last year by the Chicago Junior League.

"The Wizard of Oz" is being given under the auspices of the Nursery School board of the Winnetka Woman's club. Proceeds from the performance will go towards the work of the Winnetka Nursery school.

### HOLD REUNION

Members of Illinois' famous war troops, the 33rd division, held their second annual reunion on November 17 and 18 at Springfield. Several thousand veterans who formerly wore the insignia of a yellow cross on a black field were present. Among the north shore men who were present were Walter J. Fisher of Winnetka, Col. Abel Davis of Glencoe, and Col. John V. Clinnin of Glencoe.
