

N. K. E. C. Plans Annual Christmas Carnival on Dec. 7

The faculty of the National Kindergarten and Elementary college in Evanston is announcing its annual Christmas carnival which will be held from 4 o'clock in the afternoon to 10 o'clock the night of December 7. The affair will be a combination of Christmas shops and amusements.

There will be many booths of articles such as handwrought silver, jewelry,

pearl beads, handwoven linen, pottery, Korean brass, and Christmas sweetmeats. The side shows will consist of fortune telling, marionettes, and silhouette artists.

Ikey will open his pawn shop for business and the hot dog vendor, the ice cream sandwich man, and the taffy apple dealer, will offer their always welcome wares. Miss Willemina Townes of the college is chairman of the event. She is assisted by the faculty. The proceeds of the Christmas carnival will be devoted to the college building fund.

Children to Sing Carols in Schools, Playgrounds

Members of the Chicago Civic Music association and the public generally will be interested in the carols which will be sung by the groups of children from the association's classes in the schools, parks and playgrounds on the afternoon of December 22. These carols attracted great attention when, last season, they were given at the Art Institute, the Stevens hotel and the Venetian Court of the Fine Arts building and it is planned to present them

again. Some new and exceedingly fine music will be heard, some of it specially written by Chicago composers, it is explained.

DAWES IS GUEST OF HONOR

Vice President Charles G. Dawes of Evanston will be chief guest of honor and speaker at the annual dinner of the Indiana society that will be held at the Palmer house, Chicago, Dec. 1. Eugene J. Buffington and John C. Shaffer of Evanston are members of the arrangements committee.

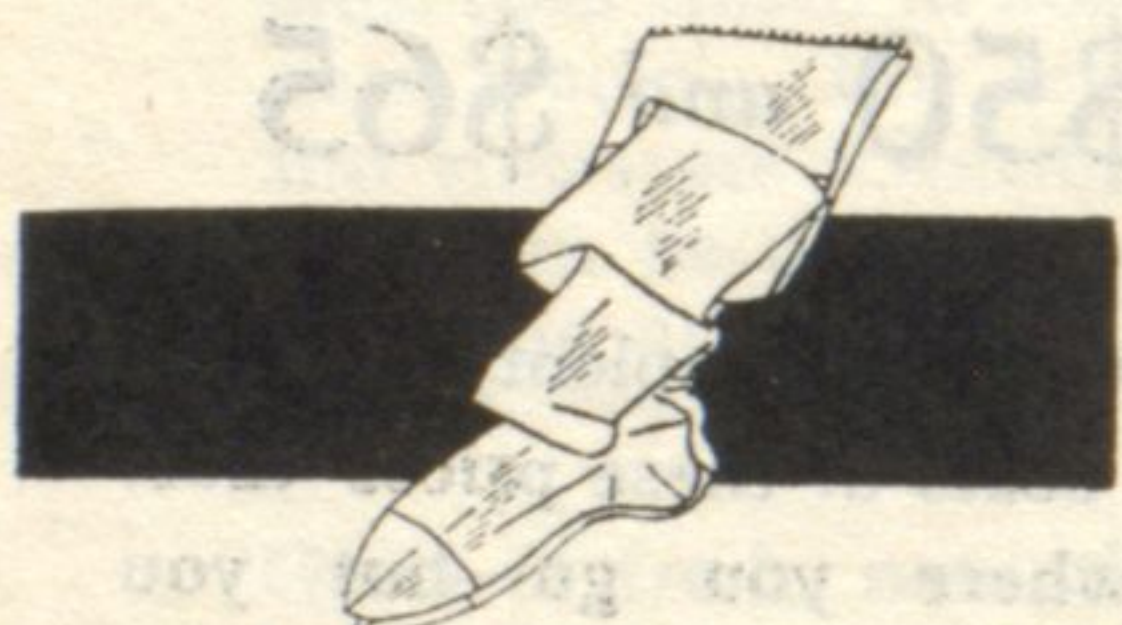

Let Our University Hostess Help You Make Your Accessory Selections

A prominent young university woman is now associated with our Evanston Store in the Hosiery, Handkerchief, Scarf and Glove Sections to assist in the selection of smart accessories. Meet her in these sections each Saturday and do not hesitate to ask her assistance.
