**FOUNTAIN
SERVICE**

The fountain service of the French Provincial Tea Room will parallel the excellence for which The Vera Megowen has always been recognized.

Do try one of our delicious Sundaes or Sodas.

The French Provincial Tea Room will serve breakfast, luncheon, dinner and supper—all in the inimitable style of THE VERA MEGOWEN table d'hote and a la carte.

After several years of study including a trip to France, this last Summer, to make her knowledge of the French Provincial life complete, Miss Megowen opens her new Tea Room, which is indeed an artistic achievement—a tribute to the city of Evanston and the North Shore. This Room is opened so she can more comfortably take care of the daily increasing guests.

The fact that the French Provincial Tea Room will be under the personal direction of Miss Vera Megowen, assures its success and popularity.

Miss Megowen will offer to her guests the same delightful food and home atmosphere as in the Early American Room.
