

### GREEN SELDOM LOSES

**Saturday's Game Brings Team That Has Long Tradition of Victory**

Dartmouth college comes to Dyche stadium this Saturday with an impressive record for the 27 past years of its football history. Since 1901 its teams have won 42 other colleges and have won 179 games, lost 40 and tied 12.

While winning a large percentage of all their engagements, the Green teams have totaled 4,807 points to their opponents' 1,225. The team of 1925 probably made the greatest record of all, not being defeated or tied. The 1904, 1907 and 1924 teams also were undefeated but each was tied once. In each of fifteen seasons Dartmouth has suffered only one defeat, and in only four has a Green team lost more than twice.

Yale is the only one of Dartmouth's opponents which it has never defeated. It has tied Yale once, in 1924, and lost to the Blue in 1926 and 1927.

Jesse B. Hawley, of Chicago, was appointed head coach in 1923 and has developed teams noted for their offensive strength and scoring power. Dartmouth's records since he took over the mentor's job show: in 1923 Dartmouth scored 203 points to opponents' 54; in 1924, 225 points to 31; in 1925, 340 points to 29; in 1926, 203 points to 64; in 1927, 280 points to 53.

Jane Bulger, daughter of Mr. and Mrs. Thomas Bulgar of 400 Sheridan road, is expected to return from the hospital this next week. She has been there three weeks following an operation.
