The vaudeville and dance for the benefit of the North Shore Country Day school Christmas toy shop, is announced for this evening, at 8 o'clock, at the school auditorium.

Mrs. Edward Rogers, 375 Chestnut street, has returned after visiting her son and his wife, Mr. and Mrs. James Harriman Rogers, whose home is in Ann Arbor, Mich. Mr. Rogers is continuing his law course at the university this winter.

Entertain Mothers
at Hubbard Woods
School This Week

Pupils of the Hubbard Woods school have been busy this week entertaining their mothers in the school rooms. Following is a brief account of programs in the various rooms:

Miss Rose Danburg, third grade—A round table discussion was held, and the room chairman, Mrs. Howard Gray, presented a list of books suitable for reading to children.

Miss Winifred Weedon and Miss Esther Bosworth, kindergartens, joint meeting—Tea, followed by a talk by Miss Helen Totten, of the department of educational counsel, and a round table discussion.

Miss Luella Schwartz, second and third combined—Miss Schwartz talked of the year for this year. The meeting closed with a tea.

Miss Ruth Barnes and Miss Ruth Danburg, fourth grades, joint meeting—Pupils in Miss Barnes' room presented a "cave man" play. At the joint meeting which followed Miss Frances Pressler, social science supervisor, talked on fourth grade social science work.

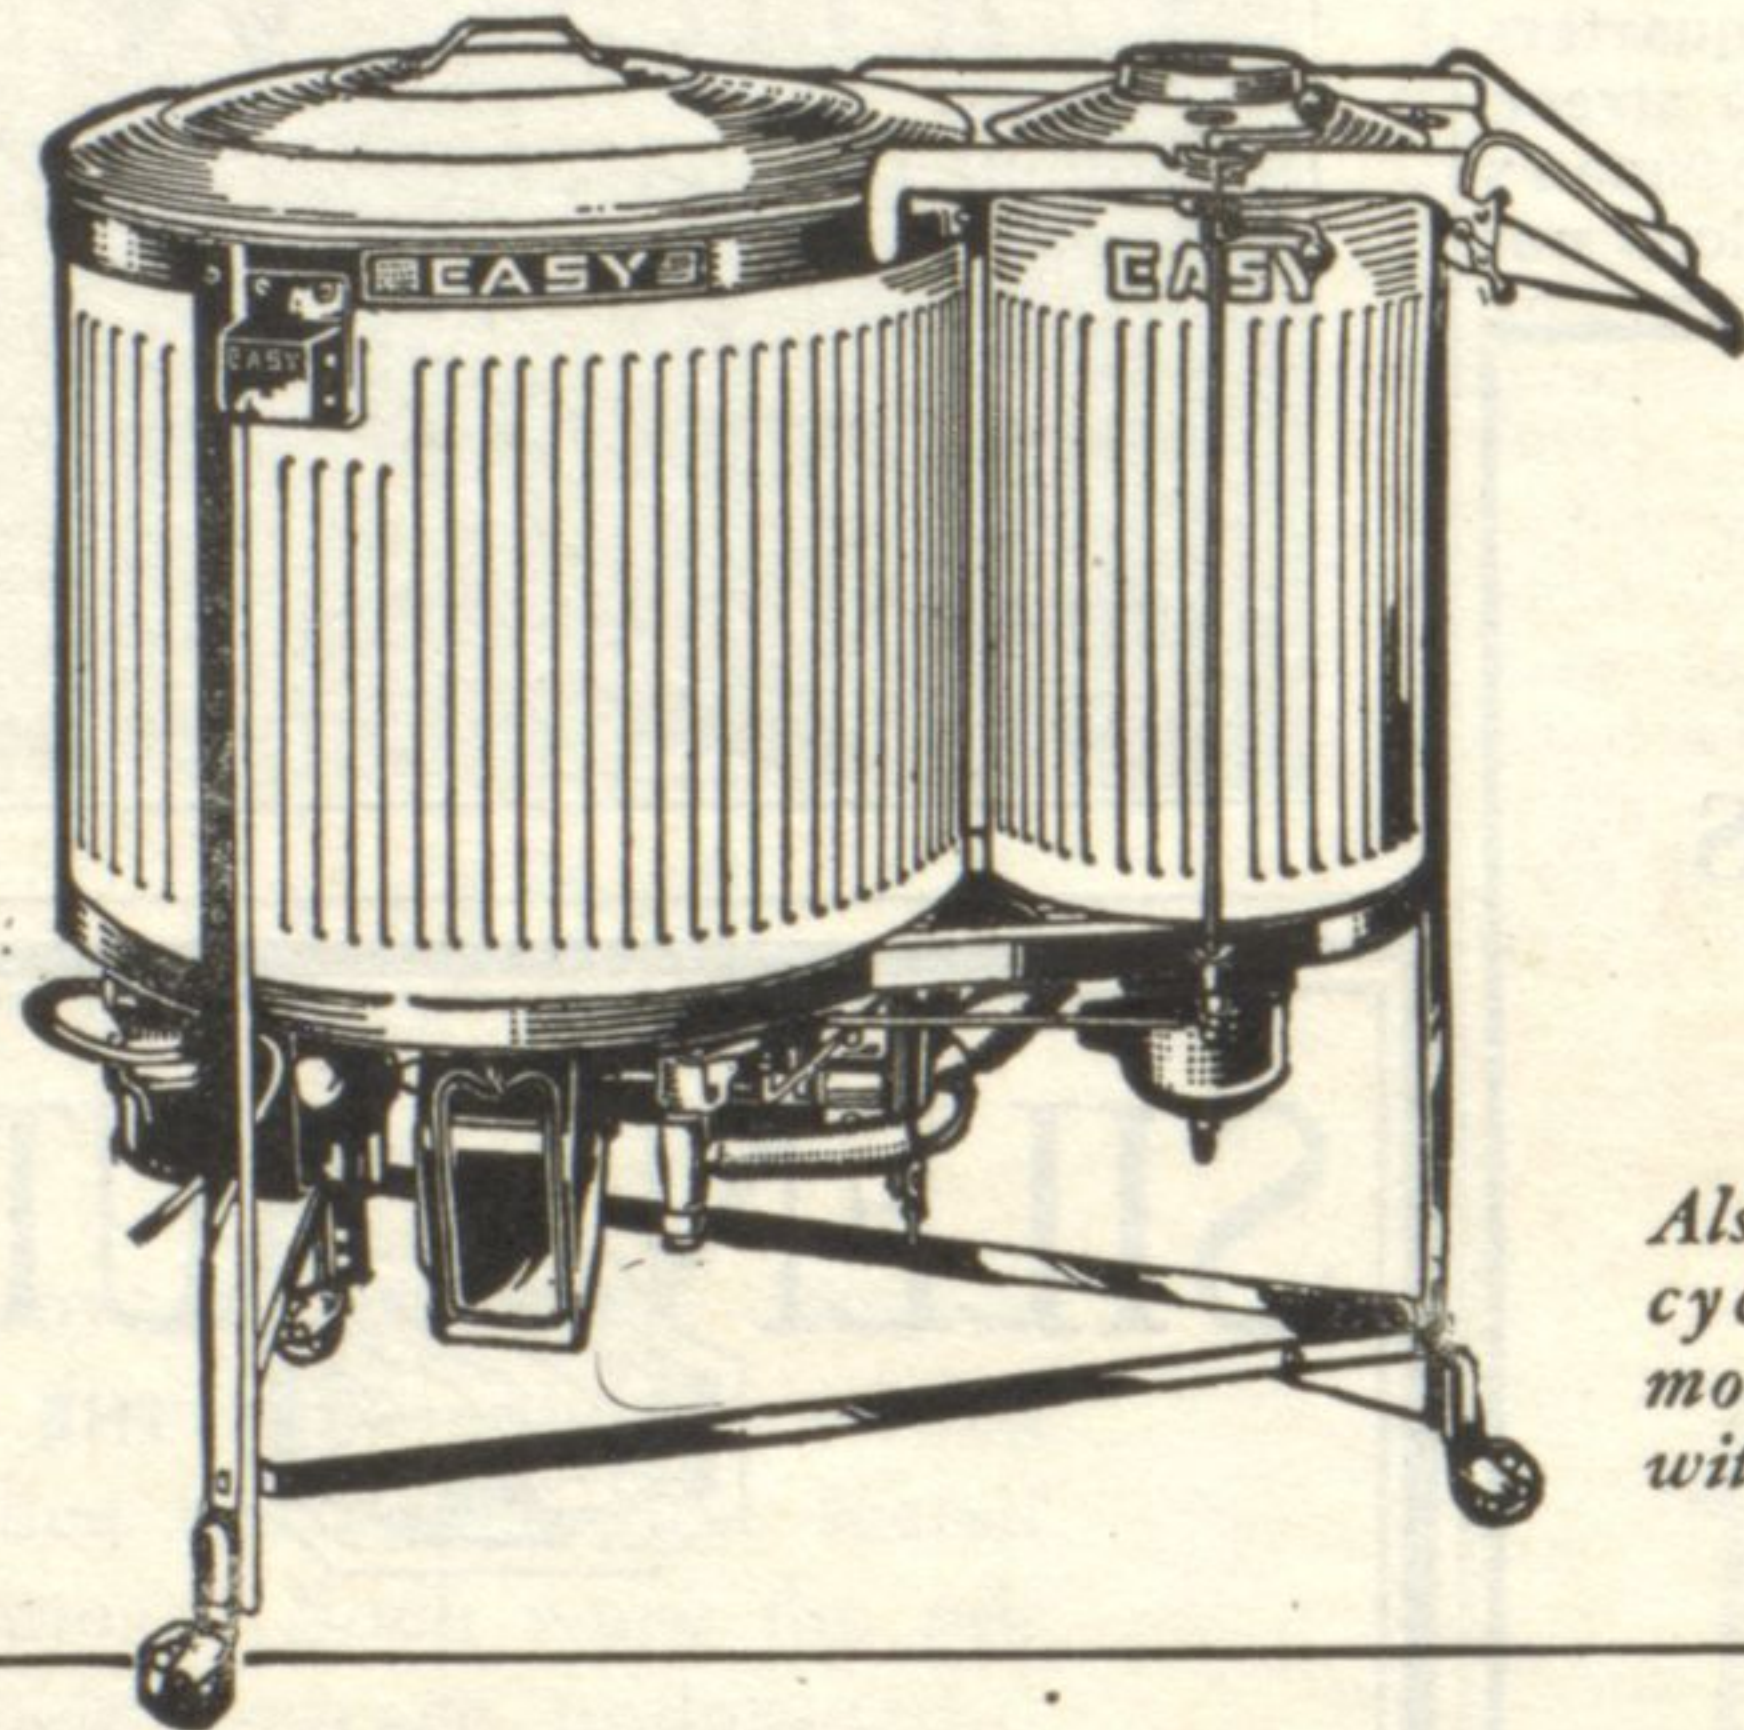

Miss Bernice Helf, sixth grade—Mrs. Arthur Mayer, room chairman, led a discussion on discipline. Miss Helf spoke, and the following pupils talked on their hobbies: Jerry Danley, Ned Rosenheim, Alma Katz, and Harry Gottlieb.

Miss Olga Leap, sixth grade—Miss Leap's pupils repeated a play given recently in which they dramatized characters from fourteen books. Miss Nell Olson, librarian, spoke on sixth grade reading, paying special attention to books suitable for Christmas reading.

Are Six Ducks Worth a Ducking? Hunter Asks

Mathew Conrad, sales manager for the Wersted Motor company, is wondering if six ducks are worth a gun, a pair of rubber boots, and a soaking in cold water. Mr. Conrad and his father were duck hunting on the Illinois river Wednesday. Their boat capsized, spilling its occupants into water chilled by November winds. So the riddle is: Are six ducks worth a gun, a pair of rubber boots, and a soaking in cold water?

This wringerless EASY
washes and damp-dries
—does both at the same time

Easy to Use
Easy on Clothes
Easy Payments

Also built with 4-cycle gasoline motor for homes without electricity

Never until you see the EASY work will you realize how one new feature can completely revolutionize your ideas of a good washing machine.

The EASY has this feature. A new Damp-Dryer replaces the old-fashioned wringer. Cleanses clothes more quickly and easily; damp-dries them faster and more thoroughly than any other method you've ever used. Does both jobs at once. Damp-dries one 8-sheet batch in less than two minutes, ready for the

line. Cleans the next 8-sheet batch at the same time. Banishes drippy hems, speeds up drying in wet weather, prevents deep, hard creasing, protects clothes. Can't break nor crush out buttons. Saves trouble... releases hours of time.

Safe, simple, trouble-proof—and a beauty besides! Our liberal terms simplify possession. Just a little down, then a little a month... Saving on washing bills usually covers payments!

See a free demonstration of the wringerless EASY. Here, or in your home! Phone or call at once.
